Mysterious Mounds Contribution To The Biblical Archaeology:

The Mystery of the Serpent Mound Ross Hamilton,2001-05-03 The mysterious Serpent Mound in the Ohio Valley is a masterpiece of prehistoric architecture Its enormous size alone inspires awe and reverence Even deeper meanings may be hidden in the dimensions and lost functions of this ancient religious structure Researcher Ross Hamilton has uncovered multiple layers of secrets hidden within the earthworks of the Serpent Mound and his discoveries contribute to a new understanding of prehistoric spiritual science and engineering Zondervan Illustrated Bible Dictionary ,2011 The Oxford History of the Holy Land Robert G. Hoyland,H. G. M. Williamson,2023 The story of the Holy Land encompassing the three millennia that saw the birth of Judaism Christianity and Islam Each chapter is written by a leading scholar **The Oxford Illustrated History of the Holy Land** Robert G. Hoyland,Hugh Godfrey Maturin Williamson,2018 The story of the Holy Land encompassing the three millennia that saw the birth of Judaism Christianity and Islam Each chapter is written by a leading scholar and is highly illustrated with paintings photographs and ancient texts *The Mystery of the Ten Lost Tribes* Ziva Shavitsky,2011-11-15 There have been many legends and traditions regarding the ten lost tribes of the Northern Kingdom of Israel This book draws upon extensive discoveries and information published regarding the movement of the People of Israel and Judah from Davidic times to the dawn of the Hellenistic period The author has tested the biblical records against archaeological evidence testimony and inscriptions found in Syria Assyria Babylon and Persia In very many cases the inscriptions excavated in these places coincide almost word for word with the biblical record The early chapters also investigate evidence of migrations and movement by people to neighbouring countries by reason of seeking sanctuary trade marriage or in times of famine Evidence has been found supporting the theory that many of the Northern Captives joined the tribes of the South who continued to live independently until the destruction of the First Temple Hence it is not just a matter of investigating the transfer of captives out of Judah and the Northern Kingdom but also additional evidence found in the Bible or documents that bear evidence to Jewish people who lived traded or served in various capacities in other lands There is also some clear indication that many of the later captives joined their brethren who had been exiled to other lands earlier The later chapters mention some traditions and legends that exist among many tribes that to this day trace their origins to the Exiles who belonged to the twelve tribes of Israel and Judah **Archaeological Oddities** Kenneth L. Feder,2019-03-06 Here is an offbeat field guide for sites in North America that reflect the rejection of the facts of prehistory and history They are the physical equivalents of fake news about America s ancient past Feder provides an entertaining summary forty sites along with the practical information you ll need to visit these fun and fascinating sites **The Mound Builder Myth** Jason Colavito,2020-02-20 Say you found that a few dozen people operating at the highest levels of society conspired to create a false ancient history of the American continent to promote a religious white supremacist agenda in the service of supposedly patriotic ideals Would you call it fake news In nineteenth century America this was in fact a powerful truth that shaped

Manifest Destiny The Mound Builder Myth is the first book to chronicle the attempt to recast the Native American burial mounds as the work of a lost white race of true native Americans Thomas Jefferson s pioneering archaeology concluded that the earthen mounds were the work of Native Americans In the 1894 report of the Bureau of American Ethnology Cyrus Thomas concurred drawing on two decades of research But in the century in between the lie took hold with Presidents Andrew Jackson William Henry Harrison and Abraham Lincoln adding their approval and the Mormon Church among those benefiting Jason Colavito traces this monumental deception from the farthest reaches of the frontier to the halls of Congress mapping a century long conspiracy to fabricate and promote a false ancient history and enumerating its devastating consequences for contemporary Native people Built upon primary sources and first person accounts the story that The Mound Builder Myth tells is a forgotten chapter of American history but one that reads like the Da Vinci Code as it plays out at the upper reaches of government religion and science And as far fetched as it now might seem that a lost white race once ruled prehistoric America the damage done by this ancient myth has clear echoes in today s arguments over white nationalism multiculturalism alternative facts and the role of science and the control of knowledge in public life **A**
