Grout,2018-01-08 If you think that Jesus might have had something significant to say related to the well being of the human
race this book is for you If you think that Jesus purpose was to get people into heaven after they died this book is not for you
Actually maybe it is but you may not like it Through individual and group encounters and thought provoking questions
through poetry prayers icons and meditation exercises this companion for the warrior mystic monk seeks to guide the reader
into an encounter with the life force that holds together and flows through all creation This guide is intended for those who
believe that Jesus began something central to the well being of humanity and all creation which has become almost lost
within the institution of religion Many who are embracing this emerging spiritual awakening remain within the church The
church continues to be family At the same time one s primary spiritual community is made up of those who are seeking
awakening whether they are inside or outside of a religious institution
