The Jewish Publication Society of America, 25th Anniversary, April 5th and 6th, 1913, Philadelphia Jewish Publication Society of America, 1913 *Vocabulary and syntax of the old English version in the Paris psalter* John Douglas Tinkler, 2017-12-04 No detailed description available for Vocabulary and syntax of the old English version in the Paris psalter

Eliot's Dark Angel Ronald Schuchard, 2001 Schuchard's critical study shows how Eliot's personal voice works through the sordid the bawdy the blasphemous and the horrific to create a moral world and the only theory of moral criticism in English literature The book also erodes conventional attitudes toward Eliot's intellectual and spiritual development **The Irish Franciscans in Prague 1629-1786** Jan Pařez, Hedvika Kuchařová, 2015-03-01 At the end of the sixteenth century Queen Elizabeth I forced the Irish Franciscans into exile Of the four continental provinces to which the Irish Franciscans fled the Prague Franciscan College of the Immaculate Conception of the Virgin Mary was the largest in its time This monograph documents this intense point of contact between two small European lands Ireland and Bohemia The Irish exiles changed the course of Bohemian history in significant ways both positive the Irish students and teachers of medicine who contributed to Bohemia's culture and sciences and negative the Irish officers who participated in the murder of Albrecht of Valdtejn and their successors who served in the Imperial forces Dealing with a hitherto largely neglected theme Pařez and Kucharov attempt to place the Franciscan College within Bohemian history and to document the activities of its members This wealth of historical material from the Czech archives presented in English for the first time will be of great aid for international researchers particularly those interested in Bohemia or the Irish diaspora **Modernist Writers and the Marketplace**

Warren Chernaik, Warwick Gould, Ian Willison, 1996-06-12 Modernist Writers and the Marketplace is a new research level collection devoted to an exciting area in the history of the book Focusing on Henry James W B Yeats Joseph Conrad D H Lawrence Virginia Woolf T S Eliot James Joyce Ezra Pound Wyndham Lewis and the culture of the little magazine of the period eleven contributors from six countries demonstrate new developments in the sociology of texts the practice of literary biography and textual criticism Supplement to Encyclopædia Britannica (ninth Edition), 1891 *Joseph Conrad* David J. Supino, 2022-08-13 David J Supino traces in unprecedented detail the lineaments of Joseph Conrad's authorial career and the fortunes and misfortunes of his publishers on both sides of the Atlantic This work is a model of the integrative scholarly method combining close bibliographical scrutiny of particular textual artifacts with archival recovery of book historical information in as much detail as the surviving documents allow The book is essential reading not only for students of Conrad but also for all those who wish to understand the publishing history of this era *The American Law Journal*, 1849

Bibliotheca Ms. Stowensis Charles O'Connor, 1819 *A Treatise on the Diseases of Infancy and Childhood* Job Lewis Smith, 1890 **The stranger's handbook to places worth seeing in London**, 1862 **The Nag Hammadi Story (2 vols.)** James M. Robinson, 2014-06-05 The Nag Hammadi Story is not a history of research in the usual sense of a

Forschungsbericht which would report on the massive amount of scholarship that has been devoted to the content of the Nag Hammadi Codices for more than a half century Rather it is a socio historical narration of just what went on during the thirty two years from their discovery late in 1945 via their initial trafficking and then the attempts to monopolize them until finally through the intervention of UNESCO the whole collection of thirteen Codices was published in facsimiles and in English translation both completed late in 1977 Catalogue of the Printed Books in the Library of the Faculty of Advocates ,1867

Literature, Geography, Translation Stefan

Helgesson,2011-05-25 The present volume connects three academic fields that share central concerns but remain surprisingly isolated from each other world literature studies postcolonial studies and translation studies It approaches translation not as a vague metaphor but as a distinct and socially embedded practice that connects literatures In similar vein it interrogates the smoothness of many versions of global theory by insisting on the specificity of place and the resistance to translatability among languages oeuvres and genres The topics covered in the chapters include the formation of world literature as a programme of study the French concept of litt rature monde the rise of English in nineteenth century Sweden the translation of Arabic literature in Europe and the transnationalism of the avant garde Through such case studies and by drawing on the theoretical frameworks of douard Glissant Pierre Bourdieu and David Damrosch among others the international group of contributors add substantially to the theoretical and methodological consolidation of world literature as a field of research Mrs Dalloway Mark Hussey,2025-05-13 The first book in the Biography of a novel series offers a

compelling account of Virginia Woolf s masterpiece The fourth and best known of Virginia Woolf s novels Mrs Dalloway is a modernist masterpiece that has remained popular since its publication in 1925 Its dual narratives follow a day in the life of wealthy housewife Clarissa Dalloway and shell shocked war veteran Septimus Warren Smith capturing their inner worlds with a vividness that has rarely been equalled Mrs Dalloway Biography of a novel offers new readers a lively introduction to this enduring classic while providing Woolf lovers with a wealth of information about the novel s writing publication and reception It follows Woolf s process from the first stirrings in her diary through her struggles to create what was quickly recognised as a major advance in prose fiction It then traces the novel s remarkable legacy to the present day Woolf wrote in her diary that she wanted her novel to give life death sanity insanity to criticise the social system to show it at work at its most intense Mrs Dalloway Biography of a novel reveals how she achieved this ambition creating a book that will be read by generations to come **Catalogue of the Printed Books in the Library of the Faculty of Advocates** Faculty of

Advocates (Scotland). Library,1867

The Oxford Guide to Literature in English Translation Peter France,2000 This guide

highlights the place of translation in our culture encouraging awareness of the process of translating and the choices involved making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Hungarian Korean to Turkish For some works e g Virgil s Aeneid which have been much translated

the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available **Norton's Literary Gazette and Publishers' Circular** ,1855 Toronto
