Subject to Biography Elisabeth Young-Bruehl,1998 This book pays tribute to 14 women who donated millions of dollars to causes close to their hearts **A Lab of One's Own** Rita Colwell, Sharon Bertsch McGrayne,2021-08-17 Colwell the first female director of the National Science Foundation discusses the entrenched sexism in science the elaborate detours women have taken to bypass the problem and how to fix the system When she first applied for a graduate fellowship in bacteriology she was told We don't waste fellowships on women Over her six decades in science as she encounters other women pushing back against the status quo Colwell also witnessed the advances that could be made when men and women worked together Here she offers an astute diagnosis of how to fix the problem of sexism in science and a celebration of the women pushing back **Religious**

Life in the Late Soviet Union Barbara Martin,Nadezhda Beliakova,2023-08-18 This book presents the first large overview of late Soviet religiosity across several confessions and Soviet republics from the 1960s to the 1980s Based on a broad range of new sources on the daily life of religious communities including material from regional archives and oral history it shows that religion not only survived Soviet anti religious repression but also adapted to new conditions Going beyond traditional views about a mere return of the repressed the book shows how new forms of religiosity and religious socialisation emerged as new generations born into atheist families turned to religion in search of new meaning long before perestroika facilitated this process In addition the book examines anew religious activism and transnational networks between Soviet believers and Western organisations during the Cold War explores the religious dimension of Soviet female activism and shifts the focus away from the non religious human rights movement and from religious institutions to ordinary believers

The Reign of James VI Julian Goodare,Michael Lynch,2000-01-11 The reign of James VI 1567-1625 remains one of the most enigmatic in Scottish history There are long periods within it that resemble black holes in our knowledge This study is a concerted attempt by a group of ten scholars of the reign drawn from three different disciplines to shed light on its politics and government viewed through various perspectives These include the royal court which is analysed through its literature architecture and ceremony noble factionalism relations with England a revised model of tensions between church and state and the relationship between the government and the Highlands the Borders and the south west a future region of opposition to Charles I This study also analyses James as a literary author correspondent husband and universal king The book offers alternatives to accepted views of the reign dismissing both Melvillianism and laissez faire monarchy as useful tools It sees the centre of politics as the interaction between an expanded and increasingly expensive royal court and a phenomenal growth of the state based on a huge increase in legislation and the business of the Privy Council **The Literary World** ,1883

Politics, Protest and Young People Sarah Pickard,2019-06-07 Sarah Pickard offers a detailed and wide ranging assessment of electoral and non electoral political participation of young people in contemporary Britain drawing on

perspectives and insights from youth studies political science and political sociology This comprehensive book enquires into the approaches used by the social sciences to understand young people s politics and documents youth led evolutions in political behaviour After unpicking key concepts including political participation generations the political life cycle and the youth vote Pickard draws on a combination of quantitative and qualitative research to trace the dynamics operating in electoral political participation since the 1960s This includes the relationship between political parties politicians and young people youth and student wings of political parties electoral behaviour and the lowering of the voting age to 16 Pickard goes on to discuss personalised engagement through what she calls young people s DIO Do It Ourselves political participation in online and offline connected collectives The book then explores young people s political dissent as part of a global youth led wave of protest This holistic book will appeal to anyone with an interest in young people politics protest and political change
