

## Lesson 1: Solving One-Step Equations using Addition and Subtraction

**Directions:** Solve each equation and use a pencil to **DRAW** the object that corresponds with your answer. **SHOW YOUR STEPS!!!**

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                                                                                       |                                                                                    |                                                              |                                                                                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                                                                                            |                                                                                      |                                                                                             |                                                                                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |                                                                     |                                                                                      |                                                                     |                                                                                       |
