Faith Religion Theology:

Faith among Faiths James L. Fredericks, **Religion, Christian Faith, and Secular World** LIT Verlag, 2019-01-07 What has been the role and understanding of religion in the last hundred years and what can be the meaning of religion today There is a well known ongoing process of secularization in the Western world Is there also a return of religion And what does the fate of religion mean for an understanding of the Christian faith These are topics of this book The articles originate from the actual fields of research of an interdisciplinary group of scholars who took part in a symposium held in Bergen Nov 2019 The contributions relate to specific contexts in the modern history of religion from the perspective of religious studies theology philosophy and sociology The editors are Hans Bringeland Assoc Prof and Arve Brunvoll Prof emer both teachers of theology and philosophy at NLA University College Bergen Norway Theology: A Very Short Introduction David Ford, 2013-10-24 This Very Short Introduction provides both the believer and non believer with a balanced survey of the central questions of theology David Ford s approach draws us in to considering the principles underlying religious belief including the centrality of salvation to most major religions the concept of God in ancient modern and postmodern contexts the challenge posed to theology by prayer and worship and the issue of sin and evil He also probes the nature of experience knowledge and wisdom in theology and discusses what is involved in interpreting theological texts In this new edition Ford considers the contemporary relevance of theology including the effect of globalization and digitized communication examines the theological responses to change and development in science considers the impact of increased engagement between Islam and the West and looks at the development and importance of theology between the different faiths ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable *Theology* Alister E. McGrath, 2013-06-05 The second edition of this book written by internationally acclaimed theologian and author Alister E McGrath has been completely updated in response to feedback from readers It retains the clarity and accessibility that made the first edition so popular whilst expanding its coverage of a range of issues Includes a major new chapter on sacraments and new sections on core topics including the problem of suffering the theology of sin concepts of heaven and views of the millennium Uses the Apostle s Creed as a framework to introduce readers to key theological issues such as God Jesus Christ the Holy Spirit faith creation salvation atonement religious history and heaven Contains within each chapter an overview of one of these themes presents relevant biblical passages and summarizes the contribution of one major theologian Written by one of the world s leading theologians for anyone taking a first short course in Christian theology Can be used alongside McGrath s *Theology The Basic Readings* for a complete overview of the field **Theology** Alister E. McGrath, 2017-11-28 This highly successful and popular book is now available in a thoroughly expanded and updated new

edition Alister E McGrath one of the world's leading theologians provides readers with a concise and balanced introduction to Christianity as it has been interpreted by many of its greatest thinkers and commentators from its beginning to the modern day Theology The Basic Readings 3rd Edition comprises sixty eight readings spanning twenty centuries of Christian history To help readers engage with the material each reading is accompanied by an introduction comments study questions and a helpful glossary of terms used by its author Readings are drawn from a broad theological spectrum and include both historical and contemporary mainstream and cutting edge approaches Uses the Apostles Creed as a framework to introduce readers to writings on key issues such as faith God Jesus creation and salvation Represents two thousand years of sustained critical reflection within western Christianity Encourages readers to interact with each text and to engage with primary sources Serves as an ideal companion to the bestselling Theology The Basics or as a standalone text Theology The Basic Readings 3rd Edition is an essential guide to the topics themes controversies and reflections on Christianity as they have been understood by many of its greatest commentators

Philosophy of Religion C. Stephen Evans, 1985-01-01 C Stephen Evans examines the central themes of philosophy of religion including the arguments for God's existence the meaning of revelation and miracles and the problem of religious language

Christian Faith Hendrikus Berkhof, 1991 In today's secular world the Christian faith is viewed as only one aspect of what could be called religious life Acknowledging this Hendrikus Berkhof begins this thought provoking study with a sketch of religion and faith in general before narrowing it down to a discussion of the specific place of Christian faith in all of reality

Tracing the Contours of Faith Fehr, Wayne L. Fehr, 2013-09 This book is a collection of brief essays written in response to specific questions about the Christian faith vision of reality The questions addressed here have arisen out of the experience of ordinary Christians trying to make sense of their faith Some are asking about particular Church words Some are expressing difficulties in believing Some are probing the paradoxes of Christian existence The author responds as a professional theologian writing in a non technical way for fellow believers His purpose is to make the best insights of sound theology available to ordinary Church members in order to minister to their faith life Although many of these brief essays are limited in scope there is a coherent understanding of Christian faith that underlies all of them Each essay is simply articulating part of that understanding in response to a specific question Wayne Fehr has been a priest for many years first in the Roman Communion where he was ordained in 1969 as a member of the Jesuit Order and then later in the Anglican Communion where he was received as a priest by the Bishop of Milwaukee in 1988 He is also an academic theologian with a doctoral degree in religious studies systematic theology from Yale University and a number of years of teaching experience on the graduate level as well as with undergraduates These two vocational commitments as priest and as theologian have come together for him in a life long involvement with the interpretation of Christian faith for the benefit of his fellow believers At present he is a member of Trinity Episcopal Church in Wauwatosa Wisconsin where he serves as Priest Associate Previous books are his doctoral dissertation The Birth of the

Catholic Tübingen School and with Donald Hands Spiritual Wholeness for Clergy *Principles of Christian Theology* John Macquarrie, 1977 First published in 1966 *Principles of Christian Theology* is recognized as a classic in its presentation of the major themes of Christian thought in contemporary terms This edition now includes new or additional material on topics such as the individual and society truth demons atonement the Holy Spirit the papacy and collegiality As noted theologian Robert McAfee Brown has said of Professor Macquarrie possibly no one has a greater ability to summarize and describe varying points of view with such scrupulous fairness and clarity and yet maintain a distinctive position of his own **Learning Theology** Amos Yong, 2018-09-04 Theology the attempt to come to a deeper more faithful understanding of one's encounter with God is something to which all Christians are called In *Learning Theology* Amos Yong invites the reader to lay claim to that calling and to see it as yet another opportunity to love God Written for those taking their first course in the subject this book introduces the foundational sources and tasks of theology It asks what difference theology makes in our lives how it can influence the way we write and study and how we understand other forms of learning as part of the Spirit's leadership Yong encourages the reader to see all of life through the lens of faith and *Learning Theology* offers tools to more thoughtfully and faithfully perform that task
