PERT Study Guide 2020 Miller Test Prep, 2019-10 *PERT Study Guide 2021-2022* Miller Test Prep, PERT Study Guide Team, 2021-02-05 Miller Test Prep's study guide for the PERT is the solution for students who want to maximize their score and minimize study time. Our study guides are carefully designed to provide only that clear and concise information you need. That's precisely why we put Clear Concise on our cover. The standard for the study guide industry is to throw in the kitchen sink when it comes to making a book meaning you are stuck with hundreds of pages of repetitive information, redundant and confusing examples, and more practice questions than any person could be expected to work through. This results in students feeling overwhelmed, leading to reduced self-confidence which leads to lower scores. Instead, Miller Test Prep has worked specifically with tutors. Why? Tutors you ask. Tutors specialize in helping students comprehend information that has already been presented by a teacher. That means they see time and again what students struggle with and what actually works to help them. They specialize in helping students who have previously failed to succeed. We compiled their decades of experience helping students just like you into this study guide so you pass the first time.
