**Financial and Managerial Accounting** Belverd E. Needles, Marian Powers, Susan V. Crosson, 2010-02-23. Needles Powers Crosson delivers interactive pedagogy by illustrating accounting principles and real world examples to encourage critical thinking. This revision is based on an understanding of the nature, culture, and motivations of today's students and on extensive feedback from instructors. These substantial changes meet the needs of students who not only face a business world increasingly complicated by ethical issues, globalization, and technology but also have more demands on their time. To help them meet these challenges, this textbook shows students how business transactions, which are the result of business decisions, are recorded in a way to show their effects on the financial statements. Built on historically strong pedagogy, this edition demonstrates strengthened transaction analysis and its link to the accounting cycle. Proven Presentation: Students learn from a trusted approach built on proper accounting principles and technical detail to ensure mastery of core accounting concepts. Relevant Coverage: Chapter opening Decision Points have been enhanced to expose students to the changing financial reporting environment and IFRS. Critical Thinking Tools: New Stop Think features help students develop the judgment skills they need in the modern business world. Needles Powers Crosson demonstrates accounting in motion. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Cornerstones of Financial and Managerial Accounting Jay S. Rich, 2012. **Financial Accounting** Gary A. Porter, Roby Sawyers, Steve Jackson, Curtis L. Norton, 2003-08. This combination title is the ideal learning solution for accounting courses covering both financial and managerial accounting. The fourth edition of Financial Accounting: The Impact on Decision Makers holds true to the original vision of teaching accounting from both the preparer and user perspective but with an expanded focus on showing students a Roadmap to Success. To lead students to a full understanding of the impact of financial statements on business decision making, the authors use the financial statements from Winnebago Industries throughout. Relying on the text's trademark innovative pedagogy, instructors can prepare business majors and accounting majors alike for future business success. Managerial Accounting 2e features a four-step decision making model throughout; this text is unique in its first-person exploratory approach. It conveys a true management perspective offering coverage of contemporary topics.
