Broadwater, 2008-10 When it comes to having a desire to see things change it is obvious that most Christians are ready for it The problem is that churches have tried every program available and yet they still feel that there is something missing from their ministry This book takes a fresh look at ministry and challenges us to consider that we may have actually left God out of the ministry equation by not realizing how desperately we need for God's Spirit to set us on fire Take a journey through the Bible and discover for yourself how God's fire is present when God is on the move Discover how God's fire reveals his character as well as our calling to be transformed into the image of Christ You will also discover how being one of God's Fire Starters can be one of the most exciting adventures of anyone's life Donald A Broadwater was born in
