### **The Hein and Fischer Families of Oberstedten, Germany, and Indiana, USA: Volume 2**

Thomas Hein, 2023-12 The history and descendants of the Hein and Fischer families of Oberstedten Germany who immigrated to Clark and Washington Counties Indiana in 1853 Includes the Blackman Dodge and Conway families Volume 2 of 3 See [www.TomHeinFamily.com](http://www.TomHeinFamily.com) for more information

Gardner, McAnallen, Ralston and Fehrenbach Family History Beatrice F. Mansfield, 2004 Hearing friends talk about their ancestors and genealogical research prompted the author to wonder about her ancestors and started her on a journey that may never end With the help of distant cousins contacted on the Internet it was soon apparent that James Gardner of Butler County Pennsylvania was her great great great grandfather But there the trail grew cold Where was he born and who were his parents Was he part of the William and Sarah Gardner family that moved from Maryland to the wild frontier of Westmoreland County Pennsylvania either before or during the Revolutionary War Most of the descendants of James and Martha Molly McAnallen Gardner married had children and brought many other surnames to the Gardner family tree Among those surnames are Ackerman Brinkley Cameron Cann Carson Dover Duffy Fehrenbach Grossman Harriger Hoge Johnson Mansfield Marmie McAnallen Mershimer Ott Rohrer Shoaf Teal Welsh and Wimer With the help of more research and information from yet unknown cousins this family tree will continue to grow and spread its branches Perhaps we will even learn about the ancestors of James Gardner

Pedigrees of Lynn, Brueggemann & Dietz Rick McBride, 2022-08-27 Beginning with those who reached or were born in the New World explore to the starting points in their or their family's immigrations from the Old Country and beyond to the Germanic roots of these 3 family branches This book Volume III starts with Carrie Dietz born in Bavaria in 1859 she came to Indiana with her parents in 1867 and moved to Oklahoma late in her life Using this pedigree format the researcher can then work back in time to the known

origination of these Dietz ancestors Thirteen generations are included in this volume that spans over 4 centuries All books in this series provide extensive information about ancestors from personal data name gender birth death dates and places religious affiliation and even occupations if known to timelines with the ancestor s life events often authenticated with transcripts from original records As well there is some information provided about their families along with pedigree charts for most ancestors and relationship charts between the starting ancestor and all other ancestors included For ancestors where it applies a DNA Confirmation section presents known AncestryDNA matches and gives details about which children passed this DNA to descendants who match to the ancestor they have in common This can include several generations of offspring from a particular ancestor Note The internal links are disabled in this online version and cross referencing is unavailable Download this free book to take advantage of this feature      *The Age of Mass Child Removal in Spain* Peter Anderson,2021-11-23 The Age of Mass Child Removal in Spain analyses the ideas and practices that underpinned the age of mass child removal This era emerged from growing criticisms across the world of dangerous parents and the developing belief in the nineteenth century that the state could provide superior guardianship to unfit parents In the late nineteenth century the juvenile court movement led the way in forging a new and more efficient system of child removal that severely curtailed the previously highly protected sovereignty of guardians deemed dangerous This transnational movement rapidly established courts across the world and used them to train the personnel and create the systems that frequently lay behind mass child removal Spaniards formed a significant part of this transnational movement and the country s juvenile courts became involved in the three main areas of removal that characterize the age the taking of children from poor families from families displaced by war and from political opponents The study of Spanish case files reveals much about how the removal process worked in practice across time and across democratic regimes and dictatorships These cases also afford an insight into the rich array of child removal practices that lay between the poles of coercion and victimhood Accordingly the study offers a history of some of most marginalized parents and children and recaptures their voice agency and experience Peter Anderson also analyses the removal of tens of thousands of children from General Franco s political opponents sometimes referred to as the lost children of Francoism through the history and practice of the juvenile courts      **Pennsylvania German Roots Across the Ocean** Marion F. Egge,2000 An archival book      *The History of Clinton County, Iowa* ,1879 Introduces the reader to fractions and decimals      *Nineteenth-Century Germans to America* Clifford Neal Smith,2009-06 Although the source and scope of the information in this work vary for the most part the entries include the passenger s name place of origin number of persons traveling with the passenger and year of departure Many also contain more detail providing the immigrant s age occupation next of kin sponsors and date of birth as well as the name of ship and date of departure      *Children's Literature and Culture of the First World War* Lissa Paul,Rosemary R. Johnston,Emma Short,2015-12-22 Because all wars in the twenty first century are potentially global wars the centenary of the first global war

is the occasion for reflection This volume offers an unprecedented account of the lives stories letters games schools institutions such as the Boy Scouts and YMCA and toys of children in Europe North America and the Global South during the First World War and surrounding years By engaging with developments in Children s Literature War Studies and Education and mining newly available archival resources including letters written by children the contributors to this volume demonstrate how perceptions of childhood changed in the period Children who had been constructed as Romantic innocents playing safely in secure gardens were transformed into socially responsible children actively committing themselves to the war effort In order to foreground cross cultural connections across what had been perceived as enemy lines perspectives on German American British Australian and Canadian children s literature and culture are situated so that they work in conversation with each other The multidisciplinary multinational range of contributors to this volume make it distinctive and a particularly valuable contribution to emerging studies on the impact of war on the lives of children     *The Etude. E* ,1910 Includes music     **Peter von Zahn's Cold War Broadcasts to West Germany** Eli Nathans,2017-08-08 This book examines the pioneering radio broadcasts and television documentaries about the United States made in the 1950s by the influential West German journalist Peter von Zahn Part intellectual biography part analysis of significant debates in West Germany part study of an intensive encounter with the United States the book helps explain the transformation of postwar West Germany As a soldier in the Wehrmacht in World War II Zahn held the militantly elitist views typical of young men in Germany s educated middle class He reconsidered these positions in his postwar broadcasts At the same time he coldly assessed the capacity of the United States to win the Cold War His broadcasts examined McCarthyism the African American civil rights movement and numerous aspects of American culture and politics Zahn s broadcasts were one important voice in West German debates about the defects and virtues of modern democratic societies and especially of the United States debates whose intensity reflected recent German experiences with the failure of the Weimar Republic and with Nazism Zahn s analyses of the United States remain startlingly relevant today     *Germans of Waterloo Region, Canada* Schulze, Mathias,Liebscher, Grit,Siebel-Achenbach, Sebastian,1900 The immigration and acculturation of German speakers of Waterloo Region south west Ontario Canada The places of origin of the interviewees Mennonites and others from south eastern Europe east central Europe Germany and Austria The situation immigrants faced and their first impressions when they arrived in Canada earning a living who they are how they reflect on and actively live their German heritage how they feel about their home in Canada and how they still connect to German culture and the places from which they came the languages and family life and the next generation     *The Alsatian Bieber (Beaver) Clan: German - American Educational and Mainline Protestant Leaders of Pennsylvania, North Carolina, the Midwest, and Beyond* Christopher Hunt Robertson, M.Ed.,2021-11-06 Serving in 35 states and Canada the German American Alsatian Bieber Beaver clan helped to create and lead more than 40 Lutheran churches two seminaries and multiple universities many of which continue to serve their

communities generation after generation Past publications have mentioned individual Bieber Beaver ministers and educators but this is the first effort to compile their stories collectively from the 1700 s to the present This work recognizes such leaders roles in building and sustaining churches and schools the community centers of early America This work received a 2022 Award of Excellence from the North Carolina Society of Historians The Society s Judging Panel stated Mr Robertson appears to have left no stone unturned in documenting the Bieber family history from 1744 to the present The account covers the years when the family first settled as immigrants in Pennsylvania making significant contributions there before moving south to settle in North Carolina A wealth of information provided from newspapers and other sources chronicles the impact the Bieber family had in Western North Carolina where family members contributed greatly to the state s history especially in religion and education This family history is well written well organized and well illustrated with many photographs of excellent quality drawings and even maps The author has searched and researched many many sources Brief biographical sketches illuminate the lives of men and women of Bieber heritage who made major contributions to their communities state and nation and whose ideas and recommendations are in many ways relevant in today s world This work is archived by universities and seminaries of the Evangelical Lutheran Church of America It has also been recommended by the Concordia Historical Institute of the Lutheran Church Missouri Synod

Children of Austerity Bea Cantillon,Yekaterina Chzhen,Sudhanshu Handa,Brian Nolan,2017-04-07 The 2008 financial crisis triggered the worst global recession since the Great Depression Many OECD countries responded to the crisis by reducing social spending Through 11 diverse country case studies Belgium Germany Greece Hungary Ireland Italy Japan Spain Sweden United Kingdom and the United States this volume describes the evolution of child poverty and material well being during the crisis and links these outcomes with the responses by governments The analysis underlines that countries with fragmented social protection systems were less able to protect the incomes of households with children at the time when unemployment soared In contrast countries with more comprehensive social protection cushioned the impact of the crisis on households with children especially if they had implemented fiscal stimulus packages at the onset of the crisis Although the macroeconomic shock itself and the starting positions differed greatly across countries while the responses by governments covered a very wide range of policy levers and varied with their circumstances cuts in social spending and tax increases often played a major role in the impact that the crisis had on the living standards of families and children

*Peter Lorre: Face Maker* Sarah Thomas,2012-02-01 Peter Lorre described himself as merely a face maker His own negative attitude also characterizes traditional perspectives which position Lorre as a tragic figure within film history the promising European artist reduced to a Hollywood gimmick unable to escape the murderous image of his role in Fritz Lang s M This book shows that the life of Peter Lorre cannot be reduced to a series of simplistic oppositions It reveals that despite the limitations of his macabre star image Lorre s screen performances were highly ambitious and the terms of his employment were rarely restrictive Lorre s career was a complex negotiation between

transnational identity Hollywood filmmaking practices the ownership of star images and the mechanics of screen performance      *Family Forest: Public Version Volume 3 E-G* Jan Young, 2017-09-15 The result of more than twenty years research this seven volume book lists over 23 000 people and 8 500 marriages all related to each other by birth or marriage and grouped into families with the surnames Brandt Cencia Cressman Dybdall Froelich Henry Knutson Kohn Krenz Marsh Meilgaard Newell Panetti Raub Richardson Serra Tempera Walters Whirry and Young Other frequently occurring surnames include Greene Bartlett Eastman Smith Wright Davis Denison Arnold Brown Johnson Spencer Crossmann Colby Knighten Wilbur Marsh Parker Olmstead Bowman Hawley Curtis Adams Hollingsworth Rowley Millis and Howell A few records extend back as far as the tenth century in Europe The earliest recorded arrival in the New World was in 1626 with many more arrivals in the 1630s and 1640s Until recent decades the family has lived entirely north of the Mason Dixon Line      **Peter the Apostle** William Mackergo Taylor, 1877      *The Family in Modern Germany* Lisa Pine, 2020-04-16 This cutting edge edited collection examines the impact of political and social change upon the modern German family By analysing different family structures gender roles social class aspects and children s socialization The Family in Modern Germany provides a comprehensive and well balanced overview of how different political systems have shaped modern conceptualizations of the family from the bourgeois family ideal right up to recent trends like cohabitation and same sex couples Beginning with an overview of the 19th century family each chapter goes on to examine changes in family type size and structure across the different decades of the 20th century with a focus on the relationship between the family and the state as well as the impact of family policies and laws on the German family Lisa Pine and her expert team of contributors draw on a wealth of primary sources including legal documents diaries letters and interviews and the most up to date secondary literature to shed new light on the continuities and changes in the history of the family in modern and contemporary Germany This book is a fantastic resource for scholars postgraduates and advanced undergraduates studying modern German history sociology and social policy      International Companion Encyclopedia of Children's Literature Peter Hunt, 2004-08-02 Children s publishing is a huge international industry and there is ever growing interest from researchers and students in the genre as cultural object of study and tool for education and socialization
