A series milestone as we welcome the twentieth amazing entry in the nationally best-selling Liaden Universe series. The luck runs rough around Theo Waitley. Not only are people trying to kill her and capture the self-aware intelligent ship Bechimo to whom Theo is bonded, they're also trying to arrest her crew members and throw the dignity of an important passenger, the duly constituted noble ambassador Hevelin, into question. No wonder Theo and her crew felt the need of a break and retired to what Bechimo refers to as safe space. Unfortunately, safe space may not be so safe anymore. It seems that things are leaking through from another universe and another time. In fact, whole spaceships are coming through. One of those ships is a blasted battleship seemingly fleeing a long lost war. What's more, its crew may be members of Theo's ancient ancestral line, her relatives. It's certain that they are in dire need of help. Theo has a choice to make. It seems that Bechimo's safe space is about to become deadly perilous.
