Responsibility Ghassan Hage, Robyn Eckersley, 2012-08-01 The concept of responsibility permeates social life While it has many meanings they often centre around questions of practical and moral accountability culpability and liability One can learn a great deal about a social formation by looking at the way the meanings of responsibility are deployed within it the way they vary from one social space to another and the way they are often at the centre of a political struggle over how we define and apportion blame The essays in this book do more than examine such processes Each in its own way also invites the reader to push existing assumptions about what individual political ecological and corporate responsibility entails

Human Rights Michael Goodhart, 2013 Human Rights Politics and Practice is an introduction to human rights that goes beyond a purely legal perspective to look at theoretical issues and practical approaches Bringing together leading experts it is up to date with cutting edge research in a constantly evolving field

Alter Egos Mark Landler, 2016-04-26 An inside account of Hillary Clinton's relationship with Barack Obama that brims with insight and high level intrigue Jane Mayer bestselling author of Dark Money The deeply reported story of two trailblazers who share a common sense of their historic destiny but hold very different beliefs about how to project American power from veteran New York Times White House correspondent Mark Landler In the annals of American statecraft theirs was a most unlikely alliance Clinton daughter of an anticommunist father was raised in the Republican suburbs of Chicago in the aftermath of World War II nourishing an unshakable belief in the United States as a force for good in distant lands Obama an itinerant child of the 1970s was raised by a single mother in Indonesia and Hawaii suspended between worlds and a witness to the less savory side of Uncle Sam's influence abroad Clinton and Obama would later come to embody competing visions of America's role in the world his restrained inward looking painfully aware of limits hers hard edged pragmatic unabashedly old fashioned Spanning the arc of Obama's two terms Alter Egos goes beyond the speeches and press conferences to the Oval Office huddles and South Lawn strolls where Obama and Clinton pressed their views It follows their evolution from bitter rivals to wary partners and then to something resembling rivals again as Clinton defined herself anew and distanced herself from her old boss In the process it counters the narrative that during her years as secretary of state there was no daylight between them that the wounds of the 2008 campaign had been entirely healed The president and his chief diplomat parted company over some of the biggest issues of the day how quickly to wind down the wars in Iraq and Afghanistan whether to arm the rebels in Syria how to respond to the upheaval in Egypt and whether to trust the Russians In Landler's gripping account we venture inside the Situation Room during the raid on Osama bin Laden's compound watch Obama and Clinton work in tandem to salvage a conference on climate change in Copenhagen and uncover the secret history of their nuclear diplomacy with Iran a story with a host of fresh disclosures With the grand sweep of history and the pointillist detail of an account based on insider access the book draws on exclusive interviews with more than one hundred senior administration officials foreign diplomats and friends

of Obama and Clinton Mark Landler offers the definitive account of a complex profoundly important relationship West Coast Line ,2007

International Justice in Rwanda and the Balkans Victor Peskin,2008-03-03 Today s international war crimes tribunals lack police powers and therefore must prod and persuade defiant states to co operate in the arrest and prosecution of their own political and military leaders Victor Peskin s comparative study traces the development of the capacity to build the political authority necessary to exact compliance from states implicated in war crimes and genocide in the cases of the International War Crimes Tribunals for the former Yugoslavia and Rwanda Drawing on 300 in depth interviews with tribunal officials Balkan and Rwandan politicians and Western diplomats Peskin uncovers the politicized protracted and largely behind the scenes tribunal state struggle over co operation

Writing and Filming the Genocide of the Tutsis in Rwanda Alexandre Dauge-Roth,2010-04-27 Writing and Filming the Genocide of the Tutsis in Rwanda Dismembering and Remembering Traumatic History is an innovative work in Francophone and African studies that examines a wide range of responses to the 1994 genocide of the Tutsis in Rwanda From survivor testimonies to novels by African authors to films such as Hotel Rwanda and Sometimes in April the arts of witnessing are varied comprehensive and compelling Alexandre Dauge Roth compares the specific potential and the limits of each medium to craft unique responses to the genocide and instill in us its haunting legacy In the wake of genocide urgent questions arise How do survivors both claim their shared humanity and speak the radically personal and violent experience of their past How do authors and filmmakers make inconceivable trauma accessible to a society that will always remain foreign to their experience How are we transformed by the genocide through these various modes of listening viewing and reading *Great Decisions* Foreign Policy Association,2009

Human Rights in International Relations David P. Forsythe,2000-04-27 This new textbook provides an introduction to human rights in international relations at the turn of the Twenty First Century The book examines the policy making process that establishes and tries to apply human rights norms through the UN regional organizations state foreign policy human rights groups and transnational corporations It documents the many changes in international human rights during the past half century and considers the future of universal human rights Containing chapter by chapter guides to further reading and discussion questions this book will be of interest to undergraduate and graduate students of human rights and their teachers

Ethics and the Archaeology of Violence Alfredo González-Ruibal, Gabriel Moshenska, 2014-11-10 This volume examines the distinctive and highly problematic ethical questions surrounding conflict archaeology By bringing together sophisticated analyses and pertinent case studies from around the world it aims to address the problems facing archaeologists working in areas of violent conflict past and present Of all the contentious issues within archaeology and heritage the study of conflict and work within conflict zones are undoubtedly the most highly charged and hotly debated both within and outside the discipline Ranging across the conflict zones of the world past and present this book attempts to raise the level of these often fractious debates by locating them within ethical frameworks The issues and debates in this book range across a range of ethical models including deontological teleological and virtue ethics The chapters address real world ethical conundrums that confront archaeologists in a diversity of countries including Israel Palestine Iran Uruguay Argentina Rwanda Germany and Spain They all have in common recent traumatic experiences of war and dictatorship The chapters provide carefully argued thought provoking analyses and examples that will be of real practical use to archaeologists in formulating and addressing ethical dilemmas in a confident and constructive manner

American Notebook Michael Gawenda, 2014-03-05 One of the rewards extended to former editors if they are lucky and get to plan their departure is that they can choose their next assignment I had no doubt about what I wanted to be Washington correspondent for The Age and The Sydney Morning Herald There was no more important and interesting international story to cover than the United States at the beginning of George W Bush's second term The war in Iraq was going badly and it was not at all clear that the war on terror was being won or even if there was any agreement that it was in fact a war When veteran journalist Michael Gawenda was posted to the USA as a Washington correspondent in 2005 George W Bush was beginning his second term and the war in Iraq was showing signs of becoming a quagmire Two years later Bush is a lame duck president and most Americans want their troops out of Iraq American Notebook is Gawenda's absorbing and insightful account of his American posting Weaving the personal into the political Gawenda takes the reader on his journey into a country he has always loved Beyond daily life in Washington he visits hurricane ravaged New Orleans and the God fearing states of the Midwest His engaging analysis of politics and current events is interwoven with his reflections on his childhood as a post war Jewish refugee growing up in the sixties in a Melbourne steeped in American culture In light of the increasingly evident failure of efforts in Iraq he revisits his own controversial decision while editor of The Age newspaper to support the Howard Government's decision in 2003 to join the coalition of the willing American Notebook is a fascinating

discussion of the role of journalism and the nature of public debate about war politics and current events
