future generations and give joy and peace to vulnerable people who desperately want to leave their life story behind for their descendants but are unable to write it themselves Statistics certify that 80% of Australians and most English speaking countries give to charities annually and this is one of the most rewarding services of all for both parties Apostle s advice remains current to this day It is more blessed to give than to receive Having found your own identity spiritual satisfaction and peace with self you can give your time and skills to help people record their life story and attain self esteem self discovery and self healing The Gift of Biography has been written to firstly teach you the skills and rubrics required to become a volunteer biographer and there are exercise chapters for you to learn how to write a mini biography of your own Taking on the role of Director you will guide the Sessions translate the recordings and ultimately produce a pre agreed tome of your loved one s biography He or she will become your Client from the first Session you conduct to the handing over of their most treasured gift If you are seeking a new and rewarding purpose in life it doesn t come better than this *Atlantic Reporter* ,1921
