

JERRY GINSBERG

ENGINEERING DYNAMICS

The background of the cover features a technical illustration of various mechanical systems. At the top, there is a diagram of a multi-link mechanism with joints. Below it, a circular disk is shown with a curved path or trajectory. At the bottom, there are more complex mechanical assemblies, including what appears to be a slider block and a rotating component. The entire illustration is rendered in a light blue and white color scheme, blending with the background.
