Excerpt You are going to sign up with us aren't you he said Please say you will Caroline told me you'd be perfect What exactly did she say That you had curves to die for Joel answered And that you have the right temperament to give the best experiences to our members She said I was a slut She wasn't that crude about you Joel said She just told me you enjoy sex which is something we want in all of our girls I've uh never done anything like this before she said and couldn't meet his gaze OK Joel replied Then there's really only one way to know for sure if it's something you'd be comfortable with He stood up to move over to a cabinet and opened it Ashley didn't see what he brought out but she recognized what was put on the desk when he returned It was a similar vial to that which Caroline had shown her in the coffee shop Simply looking at it was enough to get her squirming around on the seat as her anxiety peaked She listened as Joel started to give details of the job and the money being offered was far greater than she made in the store One encounter with a member at Milk Maid Experiences would get her almost as much as she'd earn working for a couple of weeks in the store It showed how Caroline could afford the lifestyle she lived and Ashley couldn't help feeling tempted So do you want to try Joel asked to finish off his pitch How quickly does it work she asked Thirty minutes or so Joel replied I can take you to one of the rooms if you are interested in joining us You can try it out there Come and have a look at a room Joel said to break the silence and picked up the vial He rose to his feet to come around the desk and Ashley looked up at him Just come look he said A look around showed Ashley a stylishly decorated bedroom A large king sized bed was the main feature and her gaze fixed on it Waterproof sheeting Joel said when he moved to the bed and brushed a hand across the pristine white sheet Some members prefer having their experience on it while others want theirs in the bathroom He walked across to an inner door and Ashley joined him to look inside The bathroom has always been my preference Joel said and held out the vial It suddenly dawned on Ashley that Joel was interested in doing more than just telling her what the job entailed He'd brought her to the room to show her what was involved and her gaze fixed on the vial again Her pulse started to race but she didn't make a move at first You're perfect for the job Joel said Please don't say no Ashley glanced up to meet his gaze and saw the excitement in his eyes It brought a flutter to her belly and she felt the slight embarrassment of the arousal taking hold There was no stopping her pulse quickening though and it grew stronger when Joel looked down to the cleavage her low cut top put on show Take it he urged I definitely think you'll be perfect for us For you Ashley shot back
