

The Brownie Story

Once upon a time, there were two little girls who lived in England with their granny and their father. The girls played all day while the granny and father had to work very hard. One day granny told the girls about the Brownies, who used to do lots of things to help around the house. "They are gone now," she said, "but we were always so much happier when they helped." The girls wanted to know where the Brownies had gone and how to get them to come back. Granny said, "only the wise old owl knows!"

That night, when everyone else was asleep, one of the girls ran out of the house into the magic forest. There she found the wise old owl. "Please", said the girl, "where can I find the Brownies to come and live with us? " The owl said, "I know where two live – right in your house!" She was very surprised! "Tell me how to find them, "she begged.

He told her to go to the pond in the magic forest, turn around three times and say, "twist me and turn me and show me the elf... I looked in the water and saw.....!" The wise old owl said, "When you finish the rhyme, you will see the Brownie in the magic pond."
