Guide To Wedding Night:

The Wedding Night Jane Merrill, Chris Filstrup, 2011-04-07 This enlightening narrative takes a look at the wedding night its origins history customs cultural expressions and fictional representations through the ages Though just outside of public view the wedding night is loaded with expectation and consequence *The Wedding Night A Popular History* is an entertaining accessible touching and humorous volume that looks at the previously unexplored topic of wedding history between the sheets Covering a kaleidoscopic array of cultural expressions this unique study zooms in on what s quintessential and shares insights into the history of intimacy through the ages The book traces the formalization of the wedding night in the ancient Near East and classical world provides many examples of historically significant unions in European and American history and describes the lively variety of traditions leading up to the present Spicing their narrative with many piquant quotes from contemporary sources the authors explore the rich cultural context for the wedding night processions royal rituals apparel food related traditions and pranks throughout Europe and America in the 19th and 20th centuries Separate chapters examine sex guides jokes and the bed as a special conjugal space *Your Wedding Night and Beyond* Carly Fields, 2015-09-12 Are you not sure what to expect your first time Do you have limited experience in the bedroom *Your Wedding Night and Beyond A Beginner s Guide to the Bedroom* will help you find your way in the dark so to speak Who is this book for If you re soon to be married or recently married this book is for you Whether you abstained and waited for marriage or you didn t my goal is to help you have a fulfilling relationship as husband and wife Let s take a peek at what goes on under the covers and learn What to expect with your first experience How to improve your intimate relationship if you got off to a rough or just a ho hum start Practical how tos that are specific without being graphic How to move past uncomfortable or unpleasant experiences with your spouse Common pitfalls to avoid How to develop a loving bond with your spouse in the bedroom including how to figure out what your spouse likes *White Wedding Night* Judy Barrett, 2011-08-01 *White Wedding Night A Christian Girl s Guide to the Wedding Night and Beyond* was written for the young bride who has kept herself pure and is now understandably nervous about her wedding night It is not to replace her talk with her mother but rather to give her information that she may not think to ask and her mother may not think to tell her Marriage is wonderful but it has its challenges The more prepared a couple is for marriage the easier it becomes This book is for the bride to be but also contains sections for her to share with her fiance so that they can discuss their expectations about how situations within the marriage should be handled *White Wedding Night* also covers the physical side of marriage and in some depth For this reason it is not recommended for girls until they are ready for marriage The information while blush producing is important because many virgin girls have ideas that do not coincide with reality Too many innocent brides cry on their wedding night because they are unprepared I want to change that Marriage and sex are wonderful but there are some things you should know So I wrote them down Then I let my friends and pastors read them Thankfully they loved it so I

am sharing it with you I hope it helps It is my wish that you have the most wonderful marriage ever and that your wedding night is everything you could wish for Blessings Judy Barrett Glenda's Wedding Night Nadjina Shanik,2016-10-24 Glenda s Wedding Night By Nadjina Shanik Glenda s Wedding Night is a search for love story like nothing you ve ever read It takes a look at many different cultures how they deal with love and marriage This tale revolves around culture shock and class clash Our protagonist Glenda marries five times to men of different nationalities in different countries She progresses hopefully from the spineless wimp to the ultra macho man of her dreams Traveling from Tuxedo Park to Ibiza Mexico Greece Israel Cyprus Jordan Turkey and New York City Glenda s Wedding Night is doormat versus diva wife versus mistress career versus home feminism versus machismo quack versus witch users and losers playboys and wannabes the Latin culture versus the Anglo culture and immigrant versus blue blood It s about what everybody thinks they re missing in life about dangerous liaisons and fatal attractions It s all here in a multicolored tapestry of steamy romance and bizarre travel spanning decades
