Review Questions: Outlining

DIRECTIONS: Read the lesson and complete the outline below. Refer to your textbook to fill in the blanks.

I. The Antiwar Movement Emerges

- A. As the Vietnam War dragged on, support waned because many believed that the Johnson administration was not telling the truth about the war.
- B. Many Americans believed a credibility gap existed because of inconsistencies between what was shown by media and what the administration said about the war.
- C. Students and teachers at universities held teach-ins to explain why they opposed the war, while many protesters focused on what they thought was an unfair draft system. Most of the soldiers were working-class and minority youths.
- D. As the war went on, many young men burned their draft cards while an estimated 500,000 refused to go.

Many soldiers argued that if they were old enough to fight, they were old enough to
