campuses and offices across the country The 21st Century Turning Points series is a one stop resource for understanding the people and events changing America today The MeToo Movement is devoted to the issue that brought sexual harassment out of the shadows of American culture and into the spotlight Sparked by revelations of decades of sexual harassment by powerful Hollywood executive Harvey Weinstein the movement quickly uncovered similar abusive behavior by numerous other famous public figures It also revealed the extent to which sexual harassment has been a persistent problem in many workplace settings across America and the ways in which girls and women are subjected to degrading and discriminatory treatment because of their gender The book provides a broad perspective on these issues It discusses late twentieth century efforts to identify sexual harassment as a longstanding societal problem explains how the 2016 presidential election brought new attention to this issue introduces activists who helped to launch the MeToo Movement and surveys the impact of the movement on American politics business and entertainment

Supply-Side Follies Robert D. Atkinson, 2007-10-29 Supply Side Follies is a progressive political and economic challenge to the current George W Bush policies It debunks commonly held assumptions of conservative economic policies centered on the obsession that tax cuts led to greater productivity and prosperity These fundamentally flawed policies are setting the United States up for a major economic downturn in the near future The 21st century knowledge economy requires a fundamentally different approach to boosting growth than simply cutting taxes on the richest investors The alternative is not however to resurrect old Keynesian populist economics as too many Democrats hope to do Rather as Rob Atkinson makes clear our long term national welfare and prosperity depends on new economic strategy that fits the realities of the 21st century global knowledge based economy innovation based growth economics
