

Guided imagery

①

Sit or lie down in a comfortable space with minimal distractions.

②

Close your eyes and take several deep breaths to get into a relaxed state.

③

Create in your mind your ideal spot - a real or imaginary setting that you find soothing. Use all your senses to picture your happy place as vividly as you can. Try to imagine what you can see, hear, touch, smell, and taste.

④

Relax in your scene for several minutes, taking slow, deep breaths. Enjoy your "surroundings" and focus on your sensations.

⑤

When you are ready to return to reality, count to three and open your eyes.
