Tucker,2013-09-13 The book examines some of the ways in which contemporary forms of political dissent are situated within processes of global ordering Grounded in analysis of concrete practices of discipline and dissent in specific contexts it explores the ways in which resistance can be shaped by dominant ways of thinking seeing or enacting politics and by the multiform relations of power at play in the making of global order The contributions written from a variety of disciplinary backgrounds address themes such as the processes through which particular sorts of resisting subjects are produced the politics of knowledge in which resisting practices are embedded the ways in which visual technologies are deployed within and towards oppositional practices and the politics of gender race and class within spaces of contestation The volume thus opens up space for critical reflection and inter disciplinary dialogue on what it means to be a resisting subject and on the interplay between the power and counter power in global order This book was published as a special issue of Globalizations

Public Order Policing Bernd Bürger,Tamara D. Herold,Ryan Lee,2023-12-31 Successful public order management is critical to upholding democracy and maintaining the rule of law Negative police public interactions during assemblies can

impact the safety and well being of citizens and officers as well as local and international perceptions of police legitimacy As observed during events across the world including assemblies in the U S Myanmar Belarus Russia and elsewhere police mismanagement of mass demonstrations often instigates crowd violence and other harmful behaviors The causes of violence at assemblies are complex and multi faceted Failure to understand crowd dynamics that lead to violence limits police effectiveness and contributes to poor officer decision making This book offers an international review of public order management experiences and effective practices Practical examples grounded in multi disciplinary theory and science offer a roadmap to improve police response and increase safety at assemblies in democratic countries The diverse content perspectives and lessons learned presented in this volume will serve as a useful guide for all people working in the field of public order management including police officials policymakers and researchers This edited volume was written by and for practitioners pracademics and academics to review the complex and demanding task of policing public order

Postcolonialism: A Guide for the Perplexed Pramod K. Nayar, 2010-10-21 Postcolonialism as a critical approach and pedagogic practice has informed literary and cultural studies since the late 1980s The term is heavily loaded and has come to mean a wide and often bewildering variety of approaches methods politics and ideas Beginning with the historical origins of postcolonial thought in the writings of Gandhi Cesaire and Fanon this guide moves on to Edward Said s articulation into a critical approach and finally to postcolonialism s multiple forms in contemporary critical thinking including theorists such as Bhabha Spivak Arif Dirlik and Aijaz Ahmed Written in jargon free language and illustrated with examples from literary and cultural texts this book addresses the many concerns forms and specializations of postcolonialism including gender and sexuality studies the nations and nationalism space and place history and politics It explains the key ideas concepts and approaches in what is arguably the most influential and politically edged critical approach in literary and cultural theory today

To End All Wars: A 21st Century Guide to Peace Pasquale De Marco, 2025-05-08 War has been a part of the human experience for centuries It has been waged for countless reasons from territorial disputes to religious differences to economic gain And while some wars have been fought for just causes many others have been fought for nothing more than power and greed In recent years the world has witnessed a growing number of conflicts both large and small From the ongoing civil war in Syria to the rise of ISIS in Iraq and Syria to the escalating tensions between Russia and Ukraine it seems like there is no shortage of reasons for people to fight But what if there was a way to end war What if there was a way to create a world where people could live together in peace and harmony This book is about that possibility It is about the power of nonviolence and the importance of peace It is about the responsibility of each and every one of us to work towards a more just and equitable world This book is a call to action It is a call to end war and to build a more peaceful world It is a call to all of us to work together to create a better future for ourselves and for our children We can do this We can end war We can build a more peaceful world Let us start today About the Author Pasquale De Marco is a writer activist and peacebuilder
