Spirit Led Worship Karen M Gray, 2019-05-17 There have been many books written about how to be an effective leader of a worship team how to run a worship team and even how to hear the voice of God BUT no one seems to have broached the subject of how to follow the Holy Spirit during worship While it is true that this should be a natural ability for any worship leader for My Sheep will hear My voice John 10 27 putting this process

into words is nonetheless surely a necessity for those who struggle in this area As well as the methodology of how to follow the Holy Spirit in worship this book describes in detail how on a personal level leaders can be more effective in this ministry Plus included are discussions on the why and what of worship to ensure the worship leader can fully appreciate his her task on the platform Because a music director job isn t just relegated to the Sunday service the author further discusses how to raise up more Spirit led worship leaders and to ensure your entire team is also Spirit led Of all the worship leading resources out there this is surely a must for any worship leader or aspiring worship leader
