How Young People Communicate A Cuban Perspective:

How Young People Communicate. A Cuban Perspective Eddie Fisher, Yorkys Santana Gonzalez, 2014-11-06 Research Paper postgraduate from the year 2014 in the subject Psychology Social Psychology Palack University Olomouc Economics language English abstract This research investigates and provides a deeper insight into what is meant by effective communication then relates this to how young people in Cuba communicate today and how changes in technology have already affected the communication style of youngsters in this country The results suggest that face to face communications are diminishing at the expense of digital communications such as SMS and Social Media This could have adverse affects in future on how well young and older people live and work together in local communities It is suggested to take proactive steps now to educate young people in the correct use of emerging technology to ensure that they do not lose their ability to communicate effectively with people at all ages in future Social Psychology has a responsibility to improve the lives of people at all ages It could become the driving force to educate young people how to make good use of the new technology whilst at the same time trying not to lose existing abilities to communicate effectively with people face to face and with respect The outcome of this research should also be of interest to other countries The adverse impact of new technology on how young people communicate is now evident world wide Keywords Face to face communications technology social media attitude social responsibilities **Assertiveness in the Health Domain** Susana Castaños-Cervantes, Connie

Atristain-Suárez, 2025-04-25 This comprehensive guide offers invaluable tools and strategies for educators parents caregivers and health professionals to cultivate assertive skills enhance the quality of care and improve teamwork and interpersonal relationships in health related environments and educational institutions **Beauty: Exploring Critical Perspectives**

Pierre Wilhelm, 2019-07-22 This volume was first published by Inter Disciplinary Press in 2016 Rather than accept society's preferred metaphors about beauty at face value the authors in this volume question the fact that beauty can also surprise us in the least foreseeable setting at the most unexpected moment and in the most surprising or unsettling ways Their work underscores beauty's ephemeral transitory fleeting and at times confounding nature The way beauty reveals itself to us they point out may challenge or even contradict established conventions norms and values about aesthetics The emergence of unconventional metaphors and analogies about beauty in these chapters calls on us to pay attention to competing and seemingly intractable connotations of fear darkness ugliness oppression repression callousness and dejection that won't leave us indifferent to their appeal How we as researchers envisage beauty as a topic of investigation tells us as much about our conceptualization of beauty arising from particular scientific perceptions as about the language and symbols that express this perception It raises the important question about why we rely on conceptual constructs to explain beauty and whether beauty remains a mystery to be explored or ultimately one best left unexplained Internationalizing the Communication

Curriculum in an Age of Globalization Paaige Turner, Soumia Bardhan, Tracey Quigley Holden, Eddah Mutua, 2019-12-09

Handbook of Research in Educational Communications and Technology M. J. Bishop, Elizabeth Boling, Jan Elen, Vanessa Svihla, 2020-09-21 The 5th edition of the prestigious AECT Handbook continues previous efforts to reach outside the traditional instructional design and technology community to the learning sciences and computer information systems communities toward developing a conceptualization of the field However given the pervasive and increasingly complex role technology now plays in education since the 1st edition of the Handbook in 1996 the editors have reorganized the research chapters in this edition to focus on the learning problems we are trying to solve with educational technologies rather than to focus on the things we are using to solve those problems Additionally for the first time this edition of the Handbook reflects our field s growing understanding of the importance of design scholarship to inform practice by including design case chapters These changes for this edition of the Handbook are intended to bring educational technology research into the broader framework of educational research by elaborating on the role instructional design and technology plays as a scholarly discipline in addressing education s increasingly complex issues Provides comprehensive reviews of new developments in educational technology research and design practice Includes concrete examples to guide future research and practice in the ways emerging technologies can be used to solve educational problems Contains extensive references furnished to guide readers to the most recent research and design practice in the field of instructional design and technology

Perspectives on Individual Differences Affecting Therapeutic Change in Communication Disorders Amy L. Weiss, 2012-12-06 This volume examines the ramifications of individual differences in therapy outcomes for a wide variety of communication disorders In an era where evidence based practice is the clinical profession s watchword each chapter attacks this highly relevant issue from a somewhat different perspective In some areas of communication disorders considering the variance brought by the client into the therapeutic mix has a healthy history whereas in others the notion of how individual client profiles mesh with therapy outcomes has rarely been considered Through the use of research results case study descriptions and speculation the contributors have creatively woven what we know and what we have yet to substantiate into an interesting collection of summaries useful for therapy programming and designing clinical research
