

Motivating prayer for nursing students

Eternal Lord, I ask for Your guidance throughout my journey as a nursing student. I know that the career I chose won't always be rainbows and sweet success, so help me endure the hard days—the days when I am on the verge of breaking down and giving up. I pray that in the long run, all my experiences, both good and bad, will build me into a hero for those who need my help and care the most.

AMEN

The American Journal of Nursing ,1911 The Chicago Medical School Quarterly ,1945 *Divine Healing: The Formative Years: 1830-1890* James Robinson,2011-04-13 Divine healing is commonly practiced today throughout Christendom and plays a significant part in the advance of Christianity in Latin America Africa and Asia Such wide acceptance of the doctrine within Protestantism did not come without hesitation or controversy The prevailing view saw suffering as a divine chastening designed for growth in personal holiness and something to be faced with submission and endurance It was not until the nineteenth century that this understanding began to be seriously questioned This book details those individuals and movements that proved radical enough in their theology and practice to play a part in overturning

mainstream opinion on suffering James Robinson opens up a treasury of largely unknown or forgotten material that extends our understanding of Victorian Christianity and the precursors to the Pentecostal revival that helped shape Christianity in the twentieth century
