[Automotive Technician Training: Entry Level 3](#) Tom Denton, 2014-11-13 A blended learning approach to automotive engineering at foundation level Used alongside the ATT Training online learning resources this textbook covers everything that students need to learn in order to pass Introduction to Motor Vehicle Engineering EL3 automotive courses This book takes a blended learning approach using interactive features that make learning more enjoyable as well as more effective When linked with the ATT Training online resources it provides a comprehensive package that includes activities animations assessments and further reading Information and activities are set out in sequence so as to meet teacher and learner needs as well as qualification requirements **Enforcing Order** Didier Fassin, 2013-10-07 Most incidents of urban unrest in recent decades including the riots in France Britain and other Western countries have followed lethal interactions between the youth and the police Usually these take place in disadvantaged neighborhoods composed of working class families of immigrant origin or belonging to ethnic minorities These tragic events have received a great deal of media coverage but we know very little about the everyday activities of urban policing that lie behind them Over the course of 15 months at the time of the 2005 riots Didier Fassin carried out an ethnographic study in one of the largest precincts in the Paris region sharing the life of a police station and cruising with the patrols in particular the dreaded anti crime squads Far from the imaginary worlds created by television series and action movies he uncovers the ordinary aspects of law enforcement characterized by inactivity and boredom by eventless days and nights where minor infractions give rise to spectacular displays of force and where officers express doubts about the significance and value of their own jobs Describing the invisible manifestations of violence and unrecognized forms of discrimination against minority youngsters undocumented immigrants and Roma people he analyses the conditions that make them possible and tolerable including entrenched policies of segregation and stigmatization economic marginalization and racial discrimination Richly documented and compellingly told this unique

account of contemporary urban policing shows that instead of enforcing the law the police are engaged in the task of enforcing an unequal social order in the name of public security
