I Choose the Best Room Marvin Stovell,2018-10-22 This is a book about a promise A promise which gives birth to hope and opens the door into a journey of faith until that which has been promised is finally received It is also my story the adventures experiences and journey of a simple man traced from childhood to the present I am Marvin Stovell aka Geneman The title of this book is very special to me because they are words from an extremely powerful life changing prophetic dream I had on October 27th 2006

What follows here is centered around key parts of that particular dream as I trace its unfolding in my life over time This may be my first book but it is not the first time I have put words to paper I m also a recording artist known in the world of Gospel Reggae as Geneman pronounced jen uh man It originates from the first Book of the Bible Genesis and it means A man of new beginnings in Christ Jesus It also links to this scripture Therefore if anyone is in Christ he is a new creation the old has gone the new is come 2 Corinthians 5 17 My greatest desire is that through this book many will accept Jesus Christ as Saviour Lord and King and through Him begin to live a life of true abundance And when that journey comes to an end receive a rich welcome into His Eternal Kingdom of Heaven 2 Peter 1 11 **I Shook Hands with Death** Mike Robertson,2013-09-24

end-time house of prayer J. Scott Husted,2009-03-01 This is a book about the workings of an establishment that God is doing in these last days Prophesied from ancient times the establishment is going on in communities across the globe As centers for intercession as centers for evangelism and as strategic bases for mercy and justice God is founding Houses of Prayer all across the earth this is The Establishment **Keeping Alive the Rumor of God** Martin Camroux,2020-08-21 Can t you hear those little bells tinkling Down on your knees They re bringing the sacraments to a dying God wrote Heinrich Heine in 1834 It took a while but today it is happening Across the Western world the traditional picture of God is dying and institutional religion collapsing Today we are trying something never done before living with no agreed narrative that tells us who we are and with a materialist view of life It isn t enough An idea of God may have died but the mystery of our human life is of an inner depth which is not simply physical or material Marvel mystery wonder beauty love the numinous the mysterium tremendum remain the essence of who we are What I am trying to do is describe this experience in such a way that those who have not had it can get a glimpse of it from inside and understand how it can give a life meaning and purpose This is explored through a liberal Christian tradition committed to social justice and honest exploration Scripture is vital to this but so are art poetry music and beauty When most people are looking the other way we must keep the rumor of God alive
