FOREWORD

The gas runs the second wheel of a six-cylinder engine. This engine is a product of Kitzbühler special engineering and manufacturing. It is made of five cylinders and under a light weight control system it will give you fast, satisfactory service. To obtain the best use of your engine, please read the manual carefully. It will help you become familiar with the operation of the engine and contains many helpful hints about engine maintenance. It is Kitzbühler's policy to offer an equally as prompt and accurate service for replacement. The maintenance use of the techniques in the manufacture of products may require some small parts of the material to be replaced. Kitzbühler distributes your engine and will have the latest up-to-date information. Please do not hesitate to contact us with any questions.
