Metamorphosis -Service Tax To Goods Services Tax Monish Bhalla, 2020-05-24 2006 to 2017 for 11 long years the Author wrote a weekly column in the leading English daily DNA Service Tax Simplified. Every week a recent burning issue, a new current problem and the challenge for finding a solution. A solution which had to be simple in lucid layman language. Many of his professional colleagues asked him why he gives a free solution in public. What he achieves in giving free advice. And His response A SMILE. Because that's what he gives to his readers when they find their solutions a smile on their tense faces. If his articles have brought back the smiles on the reader's faces if his articles have assisted them to resolve their service tax issues with the department without spending a penny if many articles have enriched the knowledge of his learned friends, chartered accountants, consultants, tax professionals and his friends working with the service tax department then my efforts have been awarded. He has learned that Life is a journey, a journey with no destination. It is this voyage one needs to learn to enjoy. As you read this compilation of over 450 articles you will experience the evolution of service tax as if a small caterpillar has metamorphosed into a butterfly
