This is her first book. *My Dad Is My Hero* Susan Reynolds, 2009-03-18. Children often have trouble telling their father how much they love him. Fortunately, this book expresses those emotions for them. This endearing collection of stories about the everyday heroics of the contributors' fathers and father figures will show Dad how much he means to his children. From the story of a fly fishing trip that bonded father and daughter to the one that saw a friend's imposing father turn into the contributor's own loving father figure, this wonderful book brings together tales of heroic dads from all walks of life and is a great way for his kids to show him how much they care. And it lets dads everywhere know that they don't need to be daring to be heroic; that it can be the little things that mean the most to his kids. *Warrior Rising* MaryAnne Howland, 2020-01-28. An eye-opening look at one mother's determination to provide positive male role models for her son and the power of great mentoring to change lives. When MaryAnne Howland's son was turning thirteen, she organized a Black Mitzvah rite of passage celebration for him. Max is one of the one in three children in America being raised without a father in the home. Among African Americans, that number is reported to be as high as 72 percent. To help fill the father-shaped hole in Max's life as he transitioned from boyhood to manhood, MaryAnne invited four men from different corners of her life: an engineer, a philanthropist, a publisher, and a financial planner to become Max's mentors. Max has faced many challenges. As a boy without a consistent father figure in his life, as an African American male in a time when race relations in this country continue to be fraught, and also because Max was born premature and as a result has cerebral palsy, he has had to be a true warrior. On the brink of manhood, his mother wanted to give him the benefit of men who could answer some of the questions she felt that she, as a woman, might not be able to answer. Through his adolescence, Max's mentors have shared valuable insights with him about what it means to be a good man in the face of life's challenges. These lessons recounted in this book will serve as a powerful roadmap for anyone wishing to support boys as they approach manhood.

**Conversations with Colum McCann** Earl G. Ingersoll, Mary C. Ingersoll, 2017-07-13. *Conversations with Colum McCann* brings together eighteen interviews with a world-renowned fiction writer. Ranging from his 1994 literary debut *Fishing the Sloe Black River* to a previously unpublished interview conducted in 2016, these interviews represent the development as well as the continuation of McCann's interests. The number and length of the later conversations attest to his star power. Let the Great World Spin earned him the National Book Award and promises to become a major motion picture. His most recent novel *TransAtlantic* has awed readers with its dynamic yoking of the 1845-46 visit of Frederick Douglass to Ireland, the 1919 first nonstop transatlantic flight of Alcock and Brown, and Senator George Mitchell's 1998 efforts to achieve a peace accord in Northern Ireland. An extensive interview by scholar Cécile Maudet is included here, as is an interview by John Cusatis, who wrote *Understanding Colum McCann*, the first extensive critical analysis of McCann's work. An author who actually enjoys

talking about his work McCann b 1965 offers insights into his method of writing what he hopes to achieve as well as the challenge of writing each novel to go beyond his accomplishments in the novel before Readers will note how many of his responses include stories in which he himself is the object of the humor and how often his remarks reveal insights into his character as a man who sees the grittiness of the urban landscape but never loses faith in the strength of ordinary people and their capacity to prevail      **Summary of Alan Cumming's Not My Father's Son** Everest
