Viswanathan,2012-12-06 The Super Field Theory Workshop held at Simon Fraser University Vancouver Canada July 25 August 5 1986 was originally intended to be a sequel to the 1983 Chalk River Workshop on Kaluza Klein Theories and the 1985 Workshop on Quantum Field Theories held at the University of Western Ontario The scope of the workshop was therefore not to be very big with a program of about 20 papers an anticipated 30 to 45 participants and with much time scheduled for discussion and personal contact These goals were soon changed in the face of wide interest in the workshop both for participation and for giving talks so that the workshop materialized with about 90 participants and 40 talks This volume contains the texts some considerably expanded from the oral version of most of the
