

Lubrication Chart

PERIODIC MAINTENANCE

Proper maintenance, including periodic inspection and regular lubrication with the correct lubricant, is essential to long life and trouble free operation of the Work Bull 302 Tractor. This section of the manual is devoted entirely to maintenance and should be referred to as a quick reference when minor servicing is performed.

LUBRICATION

Care should be exercised when handling all lubricating oils. Open containers invite dirt which may cause very serious damage to the engine. The points listed below should be lubricated periodically. The numbers in the boxes beside each point indicate the hours of operation after which these points should be serviced. The parts and time intervals are marked in the illustrations for your convenience.
