B. Rouse,2021-01-26 Failures are a common phenomena in civilization Things fail and society responds often very slowly sometimes inappropriately What kinds of things go wrong Why do they go wrong How do people and organizations react to failures and what are the best ways to react William B Rouse takes an analytic approach to these questions and addresses eighteen well known cases of high consequence failures He employs a multi level framework to integrate findings across the case studies and in turn uses these to outline a conceptual approach to integrated failure management Though diverse in their causes and outcomes his analysis shows that the conceptual design of an integrated approach to failure management can encompass each of the case studies all of which would have benefitted from the same conceptual decision support architecture This enables cross cutting system design principles and practices assuring that failure management in every new domain and context need not start with a blank slate **Big Billion Startup: The Untold Flipkart Story** Mihir

Dalal,2019-10-06 The definitive account of India s biggest startup that redefined e commerce entrepreneurship and the way we shop and live IIT graduates Sachin Bansal and Binny Bansal founded out of a Bangalore apartment what would become India s biggest e commerce startup Established in October 2007 Flipkart began as an online bookstore and soon came to be known for its customer obsession As the startup s reputation grew so did its value with venture capitalists in India and abroad lining up to invest heavily in the company that stood for bold ambition unabashed consumerism and the virtues of technology Investigative journalist Mihir Dalal recounts the astounding story of how the Bansals built Flipkart into a multi billion dollar powerhouse in the span of a few years and made internet entrepreneurship a desirable occupation But it is also a story of big money power and hubris as both business and interpersonal complexities weakened the founders control over their creation and forced them to sell out to a retailer whose dominance they had once dreamt of emulating Flipkart s auction involved some of the corporate world s biggest names from Jeff Bezos Satya Nadella Sundar Pichai to Masayoshi Son and Doug McMillon an ironic testimony to the strength of what the Bansals had forged Based on extraordinary research extensive interviews and deep access to key characters in the Flipkart story Big Billion Startup is the riveting and revealing account of how Sachin and Binny Bansal built and sold India s largest internet company Autocar & Motor ,1994-05 LACMA Physician ,1994 *Secondhand* Adam Minter,2019-11-12 Revelatory terrifying but ultimately hopeful Elizabeth Kolbert Pulitzer Prize winning author of THE SIXTH EXTINCTION From the author of Junkyard Planet a journey into the surprising afterlives of our former possessions Downsizing Decluttering Discarding Sooner or later all of us are faced with things we no

longer need or want But when we drop our old clothes and other items off at a local donation center where do they go Sometimes across the country or even halfway across the world to people and places who find value in what we leave behind In *Secondhand* journalist Adam Minter takes us on an unexpected adventure into the often hidden multibillion dollar industry of reuse thrift stores in the American Southwest to vintage shops in Tokyo flea markets in Southeast Asia to used goods enterprises in Ghana and more Along the way Minter meets the fascinating people who handle and profit from our rising tide of discarded stuff and asks a pressing question In a world that craves shiny and new is there room for it all *Secondhand* offers hopeful answers and hard truths A history of the stuff we've used and a contemplation of why we keep buying more it also reveals the marketing practices design failures and racial prejudices that push used items into landfills instead of new homes *Secondhand* shows us that it doesn't have to be this way and what really needs to change to build a sustainable future free of excess stuff *Microtimes*, 1996 *Boating*, 1995-01 *Popular Mechanics*, 1994-05 *Popular Mechanics* inspires instructs and influences readers to help them master the modern world Whether it's practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle **The Nightcrawlers** Joshua Steckley, 2025-06-17 How does a banal earthworm become a valuable commodity *Lumbricus terrestris* otherwise known as the Canadian nightcrawler is the most popular live bait used by recreational anglers throughout the world Each year as many as seven hundred million worms are handpicked from Ontario farmland for the bait market earning the region the undisputed title of worm capital of the world *The Nightcrawlers* goes deep into the empirical underground to see how capital confronts a diverse cast of human and nonhuman characters stubborn worms wealthy dairy farmers and their precious cow manure immigrant pickers laboring at night and worm wholesalers who undercut each other through tax fraud and money laundering This eccentric tale of worms cows and cash reveals the inherent contradictions in capitalism's attempts to commodify the living world including the soil organisms that are inches beneath our feet **Dealerscope Consumer Electronics Marketplace**, 1997 *A History of Communication Technology* Philip Loubere, 2021-04-11 This book is a comprehensive illustrated account of the technologies and inventions in mass communication that have accelerated the advancement of human culture and society *A History of Communication Technology* covers a timeline in the history of mass communication that begins with human prehistory and extends all the way to the current digital age Using rich full color graphics and diagrams the book details the workings of various mass communication inventions from paper making printing presses photography radio TV film and video to computers digital devices and the Internet Readers are given insightful narratives on the social impact of these technologies brief historical accounts of the inventors and sidebars on the related technologies that enabled these inventions This book is ideal for students in introductory mass communication visual communication and history of media courses offering a highly approachable graphic oriented approach to the history of communication technologies Additional digital resources for the
