Edge,2004-10-07 What could be a more fun and delicious way to celebrate American culture than through the lore of our favorite foods That s what John T Edge does in his smart witty and compulsively readable new series on the dishes everyone thinks their mom made best If these are the best loved American foods ones so popular they ve come to represent us what does that tell us about ourselves And what do the history of the dish and the regional variations reveal There are few aspects of life that carry more emotional weight and symbolism than food and in writing about our food icons Edge gives us a

warm and wonderful portrait of America by way of our taste buds After all What is patriotism but nostalgia for the foods of our youth as a Chinese philosopher once asked **The Toaster Project** Thomas Thwaites,2012-03-20 Hello my name is Thomas Thwaites and I have made a toaster So begins The Toaster Project the author s nine month long journey from his local appliance store to remote mines in the UK to his mother s backyard where he creates a crude foundry Along the way he learns that an ordinary toaster is made up of 404 separate parts that the best way to smelt metal at home is by using a method found in a fifteenth century treatise and that plastic is almost impossible to make from scratch In the end Thwaites s homemade toaster a haunting and strangely beautiful object cost 250 times more than the toaster he bought at the store and involved close to two thousand miles of travel to some of Britain s remotest locations The Toaster Project may seem foolish even insane Yet Thwaites s quixotic tale told with self deprecating wit helps us reflect on the costs and perils of our cheap consumer culture and in so doing reveals much about the organization of the modern world Recipes for Disaster Tess Rafferty,2012-10-30 Starting with the Thanksgiving turkey that never quite finishes cooking then moving to the polenta that unceremoniously goes runny and the guests that arrive a day early there is no topic Tess Rafferty fails to encounter or hilariously recount Recipes for Disaster is as though Bridget Jones wrote a culinary narrative the most pristine of intentions slowly disappear as does the wine along with any hope of a seamless and well orchestrated dinner party Told with heart humor and honesty this memoir goes beyond culinary catastrophe and heartwarmingly unveils the lengths we go to in order to please our family friends and ourselves and proves that it s not the food that counts but the memories Aptly timed for all the Thanksgiving chefs about to enter the holiday gauntlet or the guests headed to their dinners this is the perfect book to read and then savor **Sherryl Woods Rose Cottage Complete Collection** Sherryl Woods,2016-02-15 Sherryl Woods Rose Cottage Complete Collection by Sherryl Woods Sherryl Woods Sherryl Woods Sherryl Woods released on Feb 15 2016 is available now for purchase *How to Flirt with a Naked Werewolf* Molly Harper,2011-02-22 Northern Exposure Even in Grundy Alaska it s unusual to find a naked guy with a bear trap clamped to his ankle on your porch But when said guy turns into a wolf recent southern transplant Mo Wenstein has no difficulty identifying the problem Her surly neighbor Cooper Graham who has been openly critical of Mo s ability to adapt to life in Alaska has trouble of his own Werewolf trouble For Cooper an Alpha in self imposed exile from his dysfunctional pack it s love at first sniff when it comes to Mo But Cooper has an even more pressing concern on his mind Several people around Grundy have been the victims of wolf attacks and since Cooper has no memory of what he gets up to while in werewolf form he s worried that he might be the violent canine in question If a wolf cries wolf it makes sense to listen yet Mo is convinced that Cooper is not the culprit Except if he s not responsible then who is And when a werewolf falls head over haunches in love with you what are you supposed to do anyway The rules of dating just got a whole lot more complicated The "I Love My Air Fryer" Three-Step Recipe Book Michelle Fagone,2022-06-28 Delicious recipes as easy as one two three with the quickest 175 recipes designed for your favorite
