*Activities of Federal Law Enforcement Agencies Toward the Branch Davidians* United States. Congress. House. Committee on the Judiciary. Subcommittee on Crime,1996      *The Crimes of the Clergy, Or, The Pillars of Priest-craft Shaken* William Benbow,1823      The Congregationalist ,1926      **The Coming Deluge of His Glory** Nestor Kouassi,2019-06-14 It s obvious that we are living in an exceptional time Exceptional times require exceptional measures As in Psalm 2 there is an effort by world rulers to dethrone God and eradicate from society any references to Christ Consequently a war has been declared against Christ s Church which at this point in history is in a lethargic state A defiant departure from God and a slow purge of His helpful boundaries has led to emptiness of souls moral decadence arrogance division confusion The Sovereign God is however going to respond to the seemingly insurmountable challenges we face in a unique way God is coming down through what we know as a revival and an awakening to heal the wounded world the book states This exceptional divine intervention is what *The Coming Deluge of His Glory* is about It chronicles the author s fascinating and unusual history with God from a voodoo saturated village in Benin West Africa to the United States A unique journey that has given birth to a unique divine perspective This book is a compelling vision of a glorious season ahead Heaven is ready to touch the Earth God is coming down like an overwhelming flood to make His purpose established on Earth Nestor said He describes in the book the descriptive visions and insights the Holy Spirit instilled in him about the so awaited revival and awakening *The Coming Deluge of His Glory* will stir up faith hope and love in believers through captivating revelations and Nestor s knowledge of God s agenda for His kingdom It s a proclamation of the coming of God s army a lion generation of Christians whose mission is to conquer rule and reign with a royal authority and power It will set your heart on fire and help you explore the intensity of the Father s sublime love      An Exposition of the Book of Revelation Odell Furtick Jr.,2018-03-23 Odell Furtick begins this exposition by saying Do you believe Its a question that everyone must answer personally Its been over two thousand years since anyone has seen Jesus on earth after his ascension and now the believers are told to wait for his return Has humanity grown weary in their belief and lost faith in the promises of God Dr Furtick leads his readers through the book of Revelation verse by verse reassuring the readers that Gods final words are reliable and precise The book of Revelation is one of the most neglected books in the Bible because of fear and lack of comprehension of its apocalyptic writings and prophetic symbols This book brings to life a concise knowledge of the mysteries of God concealed in the Old Testament and revealed in the Revelation of Jesus Christ The book of Revelation is relevant in the twenty first century and the world should believe the testimony of the apostle John and believe all the sayings written in the Word of God      It's in the Bible! Arthur Padilla,2019-09-17 The Bible is easily the most influential and most quoted book in western society It is revered so much that it is used to swear in to office the President of the United States Supreme Court Justices and other elected government officials When the President and other U S government officials swear that they will carry out

their duties with the help of the Biblical God few if any are aware that according to scripture the Biblical God is actually a man He is specifically a man of war as stated in the following scripture The Lord is a man of war the Lord is his name Exodus 15 3 Perhaps this is a reason why the United States has been at war 93 percent of the time since its existence The Bible has had significant historical social and political influences on humanity More importantly the Bible continues to significantly influence humanity today A specific example is today s conflict in the Middle East between Israel and its neighbors Israel bases its claim to the land in dispute with the argument that the God of the Bible gave them that land approximately 3 425 years ago as described in the Old Testament of the Judeo Christian bible This book takes this same literal approach in interpreting the narrative scripture concerning the God and events described in the same bible A few of the many items discussed in this book concerning biblical scripture are The U S is the modern version of Old Testament Israel That the Biblical God is actually a man or manlike entity Inferences to very advanced technology Inferences that Jesus of the Gospel was gay More than one Jesus Christ The second coming has already happened Reincarnation concerning Jesus and the prophets Periodic mass extinction

*Paul and Ancient Views of Sexual Desire* J Edward Ellis, 2007-06-08 Paul and Ancient Views of Sexual Desire refutes the argument put forward by some scholars that Paul in his sexual ethics is in partial agreement with a current of thought in the Greco Roman world that condemns sexual desire and advocates the elimination of such desire from marital sex Ellis argues against not only this line of thought but also the attendant notion that this way of thinking underlies Paul s comments on homosexual activity in Romans 1 Through close analysis of numerous ancient passages relating to sexual desire Ellis demonstrates that ancient thinkers tend to condemn not sexual desire in itself but excessive sexual desire and lack of self control Furthermore he contends that ancient auditors would have been unlikely to see condemnation of sexual desire in Paul

s words in 1 Thessalonians 4 or 1 Corinthians 7      Transition, Infinity, and Ecstasy Suresh Hariramsait, 2016-01-15 Though modern astronomers and astro phycisists like Stephen Hawking have their doubts about interstellar travel there are countless references to inter dimesional travel in mostly ancient Indian texts The Kandha Puranam nearly 17 million years ago mentions that the Asura Titan King Sooran ruled over 1008 universes and had vimanas or flying crafts that could in an instant travel all over space cutting across dimensions at tremendous speed that could hover in mid air over water disappear and re appear all of a sudden and had a host of stealth weapons even nuclear winter is mentioned for it is said that the entire world was enveloped in darkness caused by Sooran during the war Lord Muruga possessed the Peacock Craft that could circumvent the 14 worlds and fly beyond in a micro second and his missile with the lengthy flame nedunchudar Vel was voice activated and re useable and was so powerful that it blew up into smitherns the Kraunja mountain which even our modern day nuclear weapons cannot do according to scientists The Ramayana 17 million years ago mentions that Emperor Ravana s Pushpaka vimana which he captured from Kubera the Lord of riches in heaven could host as many passengers as it takes there were stun weapons and stealth technology In the Mahabharata war 3500 b c nuclear weapons like the brahmastra were used and there is mention of numerous flying crafts of the Lords Angels of Asuras Titans and Rakshasas Demons who all travelled to and fro from the upper and lower worlds The Sri Linga Purana mentions that Lord Brahma s Swan Craft flew and transcended the seven upper worlds while Lord Vishnu s Boar Craft tunnelled though the seven lower worlds and went even beyond Baathala the lowest plane which all reminds us of blackholes being portals and shortcuts to parallell universes which is being theoretically proved today More than 2500 years ago the Japanese Royal Family s ancestors met with the Sun God who landed on Mount Fuji and were presented with a sword and an orb which are still in the Imperial Palace in Japan The native Indian s forefathers living on sun Island on lake Titicaca in South America were visited by the Sun God The Dogon tribes of Mali have a tradition that their forefathers had sailed on a great ship that flew down from Sirius the star but what is interesting is that they don spacesuit like gear and celebrate their home coming once every fifty two years which is when sirius comes in direct alignment with our world      *In the Presence of the Lord* Baruch A. Köstenberger, Gregory Goswell, 2023-02-23 A Clear Careful Textbook to Help Bible Students Interpret Scripture Pastors thoughtful Christians and students of Scripture must learn how to carefully read and understand the Bible but it can be difficult to know where to start In this clear logical guide Andreas J K stenberger and Gregory Goswell explain how to interpret Scripture from three effective viewpoints canonical thematic and ethical

Biblical Theology is arranged book by book from the Old Testament using the Hebrew order through the New Testament For each text K stenberger and Goswell analyze key biblical theological themes discussing the book s place in the overall storyline of Scripture Next they focus on the ethical component showing how God seeks to transform the lives of his people through the inspired text Following this technique readers will better understand the theology of each book and its author A Clearly Written Guide on Biblical Theology Analyzes all 66 books of the Bible with emphasis on the coherent unified framework of Scripture Helps Readers Thoughtfully Interpret Scripture Provides an essential foundation for a valid theological understanding of Scripture that informs Christian doctrine and ethics Ideal for Pastors Academics and Other Serious Students of Scripture This clear thoroughly researched guide can be used as a textbook in seminary classes studying biblical theology or the Old and New Testaments New-Church Messenger ,1920 Effective Strategic Warfare Alexander Bunda,2006-07 The Rest of the Gospel Dan Stone,David Gregory,2014-04-01 Do I have life more abundant That s a question millions of Christians have asked down through the ages Dan Stone asked that question during a time of spiritual frustration in his own life and God answered by showing Dan he had been living only a part of the gospel message Dan s search led him to discover the truth of Christ in you as the rest of the gospel that most Christians overlook Readers who are hungry for a deeper experience with God will resonate with Dan s discovery of the rest of the gospel which is indeed rest for everyone who is willing to finally let go and let God *The Hidden Reality* Yaakov Ben Mhaaila,2020-01-31 The Hidden Reality is a Kabbalistic Targum or Translation of various Books from both the Old and New Testaments in poetic form As the Kabbalah is Hebrew in its nature I have decided to title these poems in that vernacular they are subtitled in English I have studied the Kabbalah for most of my adult life and there s still so much to learn from it as a source of knowledge In Hebrew the ancient Rabbins referred to the Kabbalah as Ha Aur Nuthan The Giver of Light and as such it is Indeed Chebari it is a veritable reservoir of spiritual enlightenment and answers the many unanswered questions Like for example the mystery concerning death and the resurrection or regeneration of the soul from the dead seed body is this a reality or a religious myth Well when you consider the fact that all seeds must die before they can regenerate and enter into their higher life forms it obviously includes the organic seed body of man The three main objectives of this opus are 1 To explain the natural reality of the resurrection of the soul and its entry into that higher state of consciousness 2 To clarify the concept of hell does it actually exist as a place and if so where is it located 3 To scripturally eradicate the Jewish and Christian misconceptions concerning the Meshiach his true spiritual identity and why he had to suffer the ignominy of Golgotha But you can discover these hidden truths for yourself by turning these pages and reading Ha Metziah Tzephon
