

An abstract painting featuring a large, pale yellow, rounded object, possibly a fruit like a melon or pumpkin, as the central focus. It sits on a dark, textured surface. To the left and in the foreground are dark, elongated shapes that resemble eggplants. The background is composed of various textured brushstrokes in shades of white, cream, and light yellow, with a few small, dark, rectangular shapes that look like windows or framed pictures. The overall style is expressive and painterly.

Elio Vittorini Conversazione in Sicilia Elio Vittorini, 1973 **Conversations in Sicily** Elio Vittorini, 2000 Conversations in Sicily holds a special place in the annals of literature *Conversazione in Sicilia (nome e lagrime)* di Elio Vittorini. *Romanzo* Elio Vittorini, 1945 **CONVERSAZIONE IN SICILIA/ ELIO VITTORINI. INTROD. DI EDOARDO SANGUINETI.** Elio Vittorini, 1979 *Encyclopedia of Italian Literary Studies: A-J* Gaetana Marrone, 2007 Publisher description **Elio Vittorini: The Writer and the Written** Guido Bonsaver, 2017-12-02 Elio Vittorini holds a major position in 20th century Italian literature thanks to both his narrative production and his activity as editor and militant intellectual This work aims to present the English speaking reader with a comprehensive study of the author his times and his work Particular attention has been paid to the interconnection between Vittorini's work as a fiction writer and his political commitment which saw him move from revolutionary fascism to communism to independent left wing militancy The combination of extensive archival research with a re appraisal of his fiction and of his editorial activity provides a full picture reaching beyond the traditional restricted view of Vittorini as the anti fascist author of *Conversazione in Sicilia*

Conversazione in Sicilia (nome E Lacrime) Elio Vittorini, 1978 *The Rhetoric of Violence and Sacrifice in Fascist Italy* Chiara Ferrari, 2014-01-31 The Italian fascists under Benito Mussolini appropriated many aspects of the country's Catholic religious heritage to exploit the mystique and power of the sacred One concept that the regime deployed as a core strategy was that of sacrifice In this book Chiara Ferrari interrogates how the rhetoric of sacrifice was used by the Italian fascist regime throughout the interwar years to support its totalitarian project and its vision of an all encompassing bond between the people and the state *The Rhetoric of Violence and Sacrifice in Fascist Italy* focuses on speeches by Benito Mussolini and key literary works by prominent writers Carlo Emilio Gadda and Elio Vittorini Through this investigation Ferrari demonstrates how sacrifice functioned in relation to other elements of fascist rhetoric such as the frequent reiterations of an impending national crisis the need for collaboration among social classes and the forging of social contact between the leader and the people **'Conversazione in Sicilia'** Nicholas V. Polletta, **Shakespeare, Italy, and Transnational Exchange** Enza De Francisci, Chris Stamatakis, 2017-05-12 This interdisciplinary transhistorical collection brings together international scholars from English literature Italian studies performance history and comparative literature to offer new perspectives on the vibrant engagements between Shakespeare and Italian theatre literary culture and politics from the sixteenth to the twenty first century Chapters address the intricate two way exchange between Shakespeare and Italy how the artistic and intellectual culture of Renaissance Italy shaped Shakespeare's drama in his own time and how the afterlife of Shakespeare's work and reputation in Italy since the eighteenth century has permeated Italian drama poetry opera novels and film Responding to exciting recent scholarship on Shakespeare and Italy as well as transnational theatre this volume moves beyond conventional source study and familiar questions about influence location and adaptation to

propose instead a new evolving paradigm of cultural interchange Essays in this volume ranging in methodology from archival research to repertory study are unified by an interest in how Shakespeare's works represent and enact exchanges across the linguistic cultural and political boundaries separating England and Italy Arranged chronologically chapters address historically contingent cultural negotiations from networks intertextual dialogues and exchanges of ideas and people in the early modern period to questions of authenticity and formations of Italian cultural and national identity in the eighteenth and nineteenth century They also explore problems of originality and ownership in twentieth and twenty first century translations of Shakespeare's works and new settings and new media in highly personalized revisions that often make a paradoxical return to earlier origins This book captures defines and explains these lively shifting currents of cultural interchange

Sicily and the Mediterranean Claudia Karagoz, Giovanna Summerfield, 2015-08-12 The island of Sicily has for centuries been a meeting point where civilizations transformed one another and gave life to the cultural developments at the foundation of European modernity The essays collected here explore Sicily as a place where these cultural interactions have produced conflict but also new material and intellectual exchange

Corporeality and Culture Karin Sellberg, Lena Wånggren, 2016-03-09 The material turn in critical theory and particularly the turn towards the body coupled with scientific insights from biomedicine biology and physics is becoming an important path in fields of humanities based scholarly inquiry Material and technological philosophies play an increasingly central role in disciplines such as literary studies cultural studies history performance and aesthetics to name only a few This edited collection of essays investigates how the material turn finds applications within humanities based frameworks focusing on practical reflections and disciplinary responses It takes as its critical premise the understanding that importation of theoretical viewpoints is never straightforward rather a complex sometimes even fraught communication takes place between these disciplines at the imperceptible lines where praxis and theory meet transforming both the landscape of practical engagement and the models of material theory Presenting a multi and interdisciplinary consideration of current research on the cultural relationship to living and non living bodies *Corporeality and Culture Bodies in Movement* puts the body in focus From performance and body modification to film literature and other cultural technologies this volume undertakes a significant speculative mapping of the current possibilities for engagement transformation and variance of embodied movement in relation to scientifically situated corporealities and materialities in cultural and artistic practices Time and time again it finds these ever shifting modes of being to be inextricably interdependent and coextensive movement requires embodiment and embodiment is a form of movement
