truth is that a successful life is defined by the relationships we have. It isn't how wealthy, talented or intellectually gifted you are. These are all important, sure, but your ability to control your own emotions and recognize how others feel will take you much farther in life. If you have always yearned to understand people, gain confidence in yourself and enjoy better relationships, then you need to learn about emotional intelligence. There are a lot of people who wish to understand how to become more emotionally intelligent. I'm sure you do too, otherwise you wouldn't be interested in this book. The problem is that most of the information you find online barely scratches the surface when it comes to explaining what emotions are and how they work. It's difficult to find a book that unravels emotions while also showing you how to manage them in a simple step-by-step way. This is why I have decided to take a different approach with this book. Not only do I delve into the roots of your emotions, I also provide you with clear steps that you can take to improve your emotional intelligence. I also take the time to show you how to manage the emotions of others. If you have always struggled to understand how emotions impact our present and future lives, then this book will provide you with the best answers to all your burning questions. The book begins with an in-depth analysis of emotions: what they are and why they are important. I also provide a detailed comparison of Intelligence Quotient (IQ) and Emotional Quotient (EQ). You will also learn about how to increase your EQ, enhance your self-perception and eliminate negative emotions. Everything you learn here will benefit your personal and professional relationships immensely. I have studied the science behind emotional intelligence for a few years now, and I can tell you that this is a fascinating subject. Before I began looking into it, I always assumed that developing my IQ would give me a better chance of success in life. But what I learned about emotional intelligence changed everything. Once I committed myself to improving my EQ, I began to realize that I could manage my emotions better, and I was able to read people's body language and facial expressions like a book. My relationships were transformed on so many levels, and suddenly I was much happier than I had ever been. When you begin to take action to become more emotionally intelligent, your mental, physical and emotional wellbeing will drastically improve. I can promise you that this book will help you build your confidence and revitalize your relationships. If you have been struggling to control your emotions or manage the emotions of people around you, then you need to grab this book. Don't wait any longer. Ignoring your emotions can cost you a lot. Learn how to tap into your feelings and become better at building and maintaining happy relationships. I can assure you that your life will never be the same again. In this book, you will learn:

- You and Your Emotions
- Understanding Emotional Intelligence
- Cognitive Intelligence Versus Emotional Intelligence
- Self-Perception and Emotional Intelligence
- How to Increase Your Emotional Quotient
- Forming Emotionally Intelligent Relationships
- And Much More

Are you ready? Then buy this book and start reading today. Success and happiness are waiting for you on the other side.

you've come to the right place. You see, creating and maintaining great relationships and being more effective doesn't have to be difficult. Even if you've read countless other books on communication and success which didn't work. In fact, it's easier than you think. A report by Yale University pointed to a study showing that couples with higher levels of emotional intelligence had happier relationships. And another study they pointed to showed that people with better scores on EQ tests had higher salaries and also received more promotions. Which means you can get more professional and personal success without necessarily having a high IQ. Here's just a tiny fraction of what you'll discover: The 5 components of emotional intelligence and how to improve each of those. The truth about why emotional intelligence could be more important than IQ. The 2 things you must possess to be an effective leader and resolve conflict quickly. The first mistake people make that stops them from solving problems and 8 questions that will help you avoid this mistake. Why suppressing your emotions is a fatal mistake and 17 better ways to control your emotions. How to finally free yourself from other people's opinions and judgment. 7 things you need to stop doing to yourself right now if you want to have high EQ. 6 bulletproof strategies for managing other people's emotions that will leave them feeling good about you. The 6 secret characteristics that will help you spot someone with a high EQ. A startling technique that will help you to overcome negative thoughts without using affirmations. How to improve your social skills and 4 simple ways to increase your charisma. And much, much more. Take a second to imagine how you'll feel once you achieve your dreams and how your family and friends will react when they see the person you've become. So even if you're not used to influencing people and being effective, you can experience both professional and personal success when you increase your emotional intelligence.

Analysis on the Dimensions of Emotional Intelligence. Managers in an Industry of Governmental Service in Puerto Rico Gisela Rentas, 2018-05-04. Doctoral Thesis Dissertation from the year 2007 in the subject Psychology Intelligence and Learning Psychology grade 3.95 course Psychology language English abstract. This study analyses emotional intelligence with special regard to leadership. Emotions are a mood that is characterized by an organic commotion product of an external situation and that can be translated in gestures, laughter or weeping. All the emotions are in essence impulses to act. For Freytag, it is what causes that we approach or we move away to a certain person or circumstance. We induce this way because using the emotions helps to understand our position, the relation with the world and to respond of adaptive form. Palmer reveals that this notion is the fundamental reason of a vision that considers to the emotions like motives, forces that adapt in an approach of cognition activities and by consequence it is the impetus for the development of construct of emotional intelligence.

Emotional Intelligence, Social Intelligence, Locus of Control in Relation to Stress Management in Adolescents Dr. Tanveer Habeeb Khan, 2017-01-09. There is a tide which begins to rise in the veins of youth at the age of eleven or twelve. It is called by the name of adolescence. If that tide can be taken at the flood and a new voyage begun in the strength and along the flow of its current, we think that it will move on to fortune.
