## **Emotional Intelligence Test To Print:**

**Test Your Emotional Intelligence** Philip Carter,2011-07-03 Emotional Intelligence is the ability to be aware of one's own emotions and those of other people. In today's workplace more and more companies are using emotional intelligence tests to vet job applicants and assess staff as they recognise that positive behaviours are just as important as technical expertise. Test Your Emotional Intelligence will help you to think about various aspects of your personality and identify your strengths and weaknesses. Each test is followed by analysis and assessment that will help you to develop your potential, build on your strengths and improve on areas of weakness. It will help you to think about your social intelligence, self-confidence, your level of assertiveness as well as your ability to cope under pressure. There are no right or wrong answers but practising the types of questions you may face will calm nerves and equip you with self-knowledge you need to always be one step ahead.

*Test Your EQ* Philip Carter,2009-06-03 Emotional Intelligence more commonly referred to as EQ, emotional quotient is the ability to be aware of one's own emotions and those of other people. The two main aspects of EQ are understanding yourself and your goals, aspirations, responses and behaviour; understanding others and their feelings. In today's competitive workplace more and more companies are using EQ tests to vet job applicants and assess staff. They no longer wish to rely on traditional testing methods as they recognise that positive behaviours are just as important as technical expertise. If you are about to sit such a test and you want to ensure that you come out of it well, Test Your EQ is for you. It will help you to think about various aspects of your personality, identifying your strengths and weaknesses. Each test covers a different personality trait followed by an analysis and assessment. It will help you to prepare for the real tests, develop your potential, build on your strengths, improve on areas of weakness. There are no right or wrong answers but practising the types of questions you may face will calm nerves and equip you with self-knowledge, helping you to be one step ahead. Test Your EQ will also appeal if you just wish to exercise your mind and analyse your potential.
