

FEAR *of* FALLING

I can't remember the last time I felt completely safe.

New York Times and USA Today Bestseller

S . L . JENNINGS

Fear Of Falling Sl Jennings

**Gary P. Jacobson, Neil T.
Shepard, Kamran Barin, Kristen
Janky, Devin L. McCaslin**

Fear Of Falling Sl Jennings:

Fear of Falling S. L. Jennings, 2013-08-09 I can't remember the last time I felt completely safe Security seemed more like a luxury to me reserved for those who were fortunate enough to have picture perfect childhoods For those who didn't bear the ugly scars that keep me bound in constant debilitating fear I've run from that fear my entire life But when I met him for once I couldn't run anymore He scared the hell out of me in a way that excited every fiber of my being It wasn't the tattoos or the piercings It wasn't the warmth that seemed to radiate from his frame and blanket me whenever he was near It was just him The scary beautiful man that threatened to alter 23 years of routine and rituals and make me face my crippling fear My name is Kami and I am constantly afraid And the thing that scares me the most is the very thing I want Don't worry he smiled pulling me into the hard warmth of his chest I've got you I'll always catch you when you fall And just like that Blaine had staked his claim on the untouched part of me that no living soul had ever moved He had captured every fear every reservation and crushed them in the palm of his inked hand This book deals with sensitive subjects such as domestic violence and sexual abuse Not intended for readers under 17 years of age

Oxford Textbook of Vertigo and Imbalance

, 2025-02-08 Vertigo dizziness and imbalance rank amongst the most common presenting symptoms in neurology otorhinolaryngology geriatric medicine and general practice These symptoms can originate from many different organs and systems e.g. the inner ear general medical conditions and neurological and psychological disorders The Oxford Textbook of Vertigo and Imbalance Second Edition provides an up to date summary of the scientific basis clinical diagnosis and management of disorders that lead to dizziness and poor balance The Second Edition has been thoroughly revised and all chapters have been fully reviewed and updated since the last edition 10 years ago This edition features 29 fully updated chapters and four new chapters on vestibular surgery traumatic brain injury dizziness in children and dizziness in the elderly The textbook is conceptually divided into three sections detailing the scientific basis general clinical issues and specific diseases diagnosed in clinical practice that are responsible for complaints of dizziness and imbalance Individual chapters address benign paroxysmal positional vertigo vestibular migraine vestibular neuritis stroke and Meniere's disease Additional chapters follow a syndrome based approach and cover multiple conditions including cerebellar disorders bilateral vestibular failure and psychological disorders
