Burma: Rivers of Flavor Naomi Duguid, 2012-11-27 The fact is some books simply need to exist Burma The Cookbook is one of these Burma is culturally rich and complex in many ways but

perhaps nowhere more than in its extraordinary food culture. It sits at the crossroads between the food of the great Indian subcontinent to its west and the food of Southeast Asia to its east with a dash of Chinese influence from the north making it an amazing place in between. With simple recipes for food that manages to be elegant and earthy at the same time plus stories of a place and a people that inspired Rudyard Kipling, Somerset Maugham and George Orwell, this may be Duguid's most enchanting cookbook yet. The book features photographs throughout of the finished dishes of people of a hauntingly beautiful land as well as travel tips, a history of Burma, extensive glossaries and a bibliography. *Vintage Spirits Forgotten Cocktails*, The authentic vintage cocktail has made a comeback. This book does not repeat the timeworn cocktails of old. While old-fashioned martinis, rusty nails, margaritas and negronis are all great drinks and this book includes the most authentic recipes you can find them anywhere. Here, historian, expert and drink aficionado Dr. Cocktail has hand-picked 80 drinks rarely made today and all of them deserve revival. Some are from the nineteenth century, some from the Prohibition era and some from just after World War II as the golden age of the cocktail was waning. All are retrieved from extremely uncommon sources. In fact, some of these drinks were found carefully penned into old cocktail manuals or on scraps of paper and may never have been published. They are true treasures indeed. *Vintage Spirits and Forgotten Cocktails* pays homage to the great bartenders of the past and the beverages they created lost in time but still grand and full of potential. If you have half the fun looking at this book and trying these recipes as the author did putting them together, a great party is sure to ensue.
