By Cordelia Malthere

Born on the 06/06/1996 in London, the young It is a sweet sixteen supernatural being of a special kind, one meant to bring the end of the human world: the Beast incarnated, the Antichrist.

Fall 2012, the Beast was found. From the deep darkness of her hole, she is raised up to the light. From her closed cage below a pentagram made of blood, she is freed. The human who found her, Walter Workmaster, is a firm atheist, a private investigator and former human rights lawyer who becomes her staunch advocate. Adopting the lost It, the man released her to his world to make her face humanity and unknowingly much more... The advent of the Beast has started. Step one, she is found.
