Finding the Successful Psychopath Stephen Shepherd, 2014-10-29 Do you know a psychopath Are you certain Do you know the characteristics of a psychopath Should you avoid a psychopath If so do you know how to avoid a psychopath While garlic may hold off vampires and a cross may hold off Count Dracula these talisman relics have no effect on a true psychopath Protect yourself Stephen Shepherd introduces the world to the successful psychopaths and once you understand the traits and actions of such people you will be able to spot a psychopath as far as you can see And once you realize the characteristics that dominate a psychopath you will be stunned and amazed at the identity of some of history's most successful and yet well concealed psychopaths who have virtually ruled the world at least a large part of it A truly successful psychopath can accomplish almost anything including becoming the President of the United States So carry on dear reader and learn about the people around you You are in for the surprise of your life But watch out they are out there somewhere or everywhere
