TVtherapy Beverly West, Jason Bergund, 2007-12-18 Finally a home theater companion that understands what we've all known for years our favorite TV shows are more than an escape they're best friends and a form of therapy that can help us cope with everything from a bad hair day to a nuclear family meltdown Life getting boring in your cul de sac Indulge in some Diva TV like Desperate Housewives and take a walk on the wild side of Wisteria Lane Need a place where everybody knows your name Drop in for a little You've Got a Friend TV like Cheers and order some fun on the rocks without having to face the hangover in the morning White knuckling the armchair of life Let go with a little Anti Anxiety TV like In Living Color and laugh at your fears Got a bad case of the codependent blues Indulge in a little Codependent TV like Nip Tuck and reassure yourself that things could definitely be worse So whether you're on the verge of your nineteenth nervous breakdown looking for an excuse to throw a TV party or searching for deeper meaning TVTHERAPY The Television Guide to Life will give you the guidance you need to find the right television prescription to match your mood cure your malaise or make your night without ever getting up off the couch PLUS Recipes from Bev's TV tray including food facials for staying as cool as a cucumber Jason's Minibar featuring drinks to wet your inner whistle and timeless quotes from TV sages down through the ages who can teach us all a thing or two about life on and off the air

Videoland Daniel Herbert, 2014-01-24 Videoland offers a comprehensive view of the tangible phase of consumer video when Americans largely accessed movies as material commodities at video rental stores Video stores served as a vital locus of movie culture from the early 1980s until the early 2000s changing the way Americans socialized around movies and collectively made movies meaningful When films became tangible as magnetic tapes and plastic discs movie culture flowed out from the theater and the living room entered the public retail space and became conflated with shopping and salesmanship In this process video stores served as a crucial embodiment of movie culture's historical move toward increased flexibility adaptability and customization In addition to charting the historical rise and fall of the rental industry Herbert explores the architectural design of video stores the social dynamics of retail encounters the video distribution industry the proliferation of video recommendation guides and the often surprising persistence of the video store as an adaptable social space of consumer culture Drawing on ethnographic fieldwork cultural geography and archival research Videoland provides a wide ranging exploration of the pivotal role video stores played in the history of motion pictures and is a must read for students and scholars of media history

Cult Film as a Guide to Life I.Q. Hunter, 2016-09-08 Cult Film as a Guide to Life investigates the world and experience of cult films from well-loved classics to the worst movies ever made Including comprehensive studies of cult phenomena such as trash films exploitation versions cult adaptations and case studies of movies as different as Showgirls Room 237 and The Lord of the G Strings this lively provocative and original book shows why cult films may just be the perfect guide to making sense of the contemporary world Using his expertise in two fields I.Q. Hunter also explores the important overlap between cult film and adaptation studies He

argues that adaptation studies could learn a great deal from cult and fan studies about the importance of audiences emotional investment not only in texts but also in the relationships between them and how such bonds of caring are structured over time The book s emergent theme is cult film as lived experience With reference mostly to American cinema Hunter explores how cultists with their powerful emotional investment in films care for them over time and across numerous intertexts in relationships of memory nostalgia and anticipation

The Cinematic Mirror for Psychology and Life

Coaching Mary Banks Gregerson,2009-12-12 Cinema both reflects life and contours life that is its psychological power And for decades clinicians and educators have recognized the value of this power using it to respectively heal in therapy and educate in the classroom The Cinematic Mirror for Psychology and Life Coaching mines the illustrative value of cinema offering therapists and life coaches access to ideas that can motivate and enlighten clients Although many movie guides exist this volume complements the available literature by adding positive psychology mental health and wellness perspectives to the clinical educational coaching mix The serious intent to cull from cinema its underlying psychological value has motivated noted clinicians life coaches and cultural critics to offer science based analysis and intervention strategies Readers may add their own movie insights and professional expertise to this rich foundation The volume covers international as well as domestic cinema in a variety of genres providing a range of film choices relevant to clients lives Beyond this it expands on universal concepts of strengths capabilities and coping methods Chapters in The Cinematic Mirror analyze how movies can create and relieve trauma challenge Hollywood s portrayal of the American family overview the use of movies to examine relationships in therapy explore the acclaimed Up television cinema verite series as studies in personal growth and social change reinterprets images of disability in terms of positive psychology examines models or the lack thereof for the American adolescent rite of passage traces the history of mental illness stereotypes in film The collective wisdom found in The Cinematic Mirror for Psychology and Life Coaching will bring professionals involved in healing coaching counseling education and mentoring not only new applications but new appreciation for the transformative power of film That power already exists Readers just haveto SEE it

Beyond the Multiplex

Barbara Klinger,2023-09-01 Since the mid eighties more audiences have been watching Hollywood movies at home than at movie theaters yet little is known about just how viewers experience film outside of the multiplex This is the first full length study of how contemporary entertainment technologies and media from cable television and VHS to DVD and the Internet shape our

encounters with the movies and affect the aesthetic cultural and ideological definitions of cinema Barbara Klinger explores topics such as home theater film collecting classic Hollywood movie reruns repeat viewings and Internet film parodies providing a multifaceted view of the presentation and reception of films in U S households Balancing industry history with theoretical and cultural analysis she finds that today cinema s powerful social presence cannot be fully grasped without considering its prolific recycling in post theatrical venues especially the home Since the mid eighties more audiences have been watching Hollywood movies at home than at movie theaters yet little is known about just how viewers experience film outside of the multiplex This is the first full length study of how contemporary enterta **Word Spy** Paul

McFedries,2004-02-17 Language wears many hats but its most important job is to help us name or describe what s in the world Words define us our actions even our existence And just when you think that you have all the words you need you discover new ones hear new uses for old ones or see them mutate right before your eyes a neologism is born Those neologisms are actually one of the best ways of keeping tabs on the way our world and culture are changing One of the people who s been keeping tabs is Paul McFedries the president of Logophilia Limited logophilia is Greek for the love of words His scorecard is Word Spy a daily newsletter that has been reporting from the neological frontier since 1998 and that has more than 100 000 visitors a month and more than 12 million page views In Word Spy McFedries demonstrates how new words both reflect and illuminate not only the subcultures that coin them but also the larger culture in which these groups exist Neologisms give us insight into the way things are even as they act as linguistic harbingers of what s to come Each chapter of Word Spy is a cultural snapshot a slice of the zeitgeist that focuses on a specific idea or sociological phenomenon with an emphasis on the words and phrases that it has generated These snapshots cover various aspects of modern life including relationships business technology war aging multiculturalism and even fast food all the while introducing us to hybrid words If your kids can t seem to get away from their computers they may be addicted to fritterware time wasting game software If you re a new mother with a passion for petitioning you may be a lactivist breast feeding activist And if you keep finding yourself staying way later at the office than you ever imagined you may be suffering from presenteeism Word Spy is an exciting and informative travelogue through the evolving landscape of our language and consequently the cultures and subcultures that continually mold and shape not just the language but all of us who speak it **Bibliotherapy** Beverly West,Nancy Peske,2008-12-10 Because women read books differently than guys do Every woman knows books are more than a way to kill time on the bus they re therapy that fits in our bag Whether we re wallowing in a sullen perennial adolescence or our biological clock is ringing and we can t find the snooze button books are the dog eared friends that help us deal with our baggage as we navigate life s journey Now Bibliotherapy prescribes the best of classic and contemporary Chick Lit that women turn to again and again for inspiration A Tree Grows in Brooklyn for escape Ladder of Years for revenge against the patriarchy Our Blood and for bonding with our girlfriends Waiting to Exhale Upper thigh spread sparking a midlife crisis
