Finer Noble Gases Adam Rapp, 2004-08-25 In this freakishly funny and vividly imagined absurdist nightmare for our time the inert occupants of an East Village apartment members of a band once called Lester's Surprise now remembered simply as Less are going numb Pill popping Chase and Staples who look like they've been living on their sofa since the previous spring sit mesmerized in front of the television until its untimely demise Desperately in need of technological stimulus they decide to call up their weird neighbor luring him upstairs and under Chase's narrative spell so that Staples can steal his Magnavox via the fire escape The strange arrivals and events that follow move from the hilarious to the disturbingly existential as Rapp's electronic age creatures long to feel something to be part of something or to be of use A television blares in the background A bloody child is carried into the room And at least three kinds of bodily fluids are spilled This can mean only one thing Adam Rapp is back in town Mr Rapp has always written with the energy and tastefulness of a punk rock band so it should come as no surprise that his latest FINER NOBLE GASES follows the drugged out members of an East Village rock group who waste away their days in front of the television their eyes half open looking almost comatose In 2000 Mr Rapp burst on the scene with NOCTURNE a highly praised monologue about a piano prodigy living in the shadow of the death of his sister Since then he has written a handful of grimly poetic plays including FASTER TRUEBLINKA and STONE COLD DEAD SERIOUS none of which you would probably want to take your grandmother to The hallmarks of a play by Mr Rapp are slangy potent dialogue a dark often baroque worldview and a deep wallowing in the gratuitous Mr Rapp is aiming for something much more grand and metaphysical than just another mundane tale of arrested development Jason Zinoman The New York Times Rapp has concocted a smelly brew here but like all poisons it can be intoxicatingly fun to watch other people imbibe the stuff Robert Hofler Variety *Theatre World* John Willis, Ben Hodges, 2007-02-26 Scenes from the plays and portraits of leading actors accompany a statistical record of the current season **Stone Cold Dead Serious** Adam Rapp, 2024-03-26 A collection of plays from Pulitzer Prize finalist Adam Rapp one of the more daring young stylists working today Time Out New York Adam Rapp's plays have captivated audiences across the country with their unflinching explorations of the good the bad and the ugly in America's heartland and cities Gathered here are three of his works Faster in which two young grifters try to strike a deal with the devil during the hottest summer on record Finer Noble Gases a lament for a band of arrested thirty year olds slouching toward adulthood amid East Village decay and the Off Broadway hit Stone Cold Dead Serious An honest strange and humorous look at a blue collar family struggling to survive in the face of disability and addiction and the seemingly surreal lengths their teenage son will go to save them from themselves Rapp is very gifted and even rarer he has something to say Stone Cold Dead Serious is brave compassionate and breathtakingly moving New York Times **The Prophet** Hassan Abdulrazzak, 2012-06-22 It's January 28th 2011 and Egypt stands on the brink For Layla and Hisham a young couple living in downtown Cairo a dictatorial and corrupt government is only one of
