Hoffman, 2013-02-05 The inside story of the epic turnaround of Ford Motor Company under the leadership of CEO Alan Mulally At the end of 2008 Ford Motor Company was just months away from running out of cash With the auto industry careening toward ruin Congress offered all three Detroit automakers a bailout General Motors and Chrysler grabbed the taxpayer lifeline but Ford decided to save itself Under the leadership of charismatic CEO Alan Mulally Ford had already put together a bold plan to unify its divided global operations transform its lackluster product lineup and overcome a dysfunctional culture of infighting backstabbing and excuses It was an extraordinary risk but it was the only way the Ford family America's last great industrial dynasty could hold on to their company Mulally and his team pulled off one of the greatest comebacks in business history As the rest of Detroit collapsed Ford went from the brink of bankruptcy to being the most profitable automaker in the world American Icon is the compelling behind the scenes account of that epic turnaround In one of the great management narratives of our time Hoffman puts the reader inside the boardroom as Mulally uses his celebrated Business Plan Review meetings to drive change and force Ford to deal with the painful realities of the American auto industry Hoffman was granted unprecedented access to Ford's top executives and top secret company documents He spent countless hours with Alan Mulally Bill Ford the Ford family former executives labor leaders and company directors In the bestselling tradition of Too Big to Fail and The Big Short American Icon is narrative nonfiction at its vivid and colorful best **Construction**

Manual for Polymers + Membranes Jan Knippers, Jan Cremers, Markus Gabler, Julian Lienhard, 2012-12-17 Whether it be as translucent sheets broadly stretched membranes and inflated foil cushions or in graceful organic curves architecture today is utilizing plastics in the most disparate forms and for a wide variety of purposes Innovative technical developments are constantly improving its material properties at the same time there is a growing new awareness of its potential as a construction material While plastics used to be employed primarily as an inexpensive variant on traditional building materials they are increasingly regarded in the construction world today as a serious and viable alternative be it as supporting structures roofs facades or elements of interior design and decoration Thanks in large part to this inherent self sufficiency

plastics are currently enjoying an unprecedented surge in popularity even among the international architectural avant garde as multiwall sheets or corrugated fiber reinforced panels or as filling between glass panes And the new generation of ecological bioplastics also pays tribute to the debate on sustainability ridding plastics of their lingering reputation as environmental offenders From the history of plastics and membranes in architecture to their material properties and requirements in construction and design the *Plastics and Membranes Construction Manual* cuts to the chase providing the kind of solid and comprehensive overview of the subject that readers have come to expect from the Im DETAIL series Selected project examples round off the reference work and make it indispensable for the day to day life of the professional planner and for every architecture library *Automotive Climate Control 116 Years of Progress* Gene D.

Dickirson,2011-04-26 The evolution of automotive climate control systems is told in more than 500 pages including more than 600 pictures The progress made in heaters defrosters air conditioners ventilation systems and windshield wipers since 1897 is enormous This book shows how the automobile manufacturers and suppliers have made driving an automobile safe and pleasant in any type of weather The major changes that have occurred from the early use of lap robes and charcoal heaters to the modern sophisticated electronically controlled systems are fully documented in this book P 4 of cover *Lemon-Aid New*
