Disruptive Women of Literature Eleanore Gardner,2024-07-08 Disruptive Women of Literature Rooting for the Antiheroine critically examines the representation of the literary antiheroine in contemporary Gothic and crime thriller novels and traces her emergence from the deviant women of Greek mythology and Shakespeare to the twenty first century It explores how the antiheroine shifts dependent on genre time period and format demonstrating that she is capable of both challenging and reaffirming problematic ideologies surrounding women power violence sexuality and motherhood Eleanore Gardner argues that the antiheroine is almost always defined by her experience of a patriarchal trauma and must therefore navigate her identity differently and more complexly than her antihero counterpart The author examines a broad range of texts to understand the antiheroine s fluidity her liminal and abject existence and what these suggest about cultural anxieties surrounding transgressive women

Forever Amber (hardback) Gary A. Smith,2010-07-07 About the novel and film Forever Amber *The Brazen Age* David Reid,2016-03-22 A brilliant sweeping and unparalleled look at the extraordinarily rich culture and turbulent politics of New York City between the years 1945 and 1950 The Brazen Age opens with Franklin Delano Roosevelt s campaign tour through the city s boroughs in 1944 He would see little of what made New York the capital of modernity though the aristocratic FDR was its paradoxical avatar a city boasting an unprecedented and unique synthesis of genius ambition and the avant garde While concentrating on those five years David Reid also reaches back to the turn of the twentieth century to explore the city s progressive politics radical artistic experimentation and burgeoning bohemia From 1900 to 1929 New York City was a dynamic metropolis on the rise and it quickly became a cultural nexus of new architecture the home of a thriving movie business the glittering center of theater and radio and a hub of book magazine and newspaper publishing In the 1930s the rise of Hitler and World War II would send some of Europe s most talented men and women to America s shores vastly enriching the fields of science architecture film and arts and letters the list includes Albert Einstein Erwin Panofsky Walter Gropius George Grosz Andr Kert sz Robert Capa Thomas Mann Hannah Arendt Vladimir Nabokov and John Lukacs Reid draws a portrait of the frenzied creative energy of a bohemian Greenwich Village from the taverns to the salons Revolutionaries socialists and intelligentsia in the 1910s were drawn to the highly provocative monthly magazine The Masses which attracted the era s greatest talent from John Reed to Sherwood Anderson Djuna Barnes John Sloan and Stuart Davis And summoned up is a chorus of witnesses to the ever changing landscape of bohemia from Malcolm Cowley to Ana s Nin Also present are the pioneering photographers who captured the city in black and white Berenice Abbott s dizzying aerial views Samuel Gottscho s photographs of the waterfront and the city s architectural splendor and Weegee s masterful noir lowlife But the political tone would be set by the next president and Reid looks closely at Thomas Dewey Henry Wallace and Harry Truman James Forrestal secretary of the navy under Roosevelt would be influential in establishing a new position

in the cabinet before ascending to it himself as secretary of defense under Truman but not before helping to usher in the Cold War With The Brazen Age David Reid has magnificently captured a complex and powerful moment in the history of New York City in the mid twentieth century a period of time that would ensure its place on the world stage for many generations
