Reading Mark's Gospel as a Text from Collective Memory Sandra Huebenthal, 2020-05-28 How did the Gospel of Mark come to exist And how was the memory of Jesus shaped by the experiences of the earliest Christians For centuries biblical scholars examined texts as history literature theology or even as story Curiously absent however has been attention to processes of collective memory in the creation of biblical texts Drawing on modern explorations of social memory Sandra Huebenthal presents a model for reading biblical texts as collective memories She demonstrates that the Gospel of Mark is a text evolving from collective narrative memory based on recollections of Jesus s life and teachings Huebenthal investigates the principles and structures of how groups remember and how their memory is structured and presented In the case of Mark s Gospel this includes examining which image of Jesus as well as which authorial self image this text as memory constructs Reading Mark s Gospel as a Text from Collective Memory serves less as a key to unlock questions about the historical Jesus and more as an examination of memory about him within a particular community providing a new and important framework for interpreting the earliest canonical gospel in context **Dublin University Magazine** ,1850

(S.J.),1870 Universal Catalogue of Books on Art: L to Z National Art Library (Great Britain),1870 *Theodicy and the Cross of Christ* Tom Holmén,2018-12-13 The death of Jesus is commonly regarded as the one radically novel perspective from which the problem of suffering is viewed in the New Testament as opposed to the appropriation of viewpoints present elsewhere in contemporary writings and in the Old Testament Tom Holm n s focus on the death of Jesus as a source of New Testament theodicy reveals a two fold reasoning the lasting relevance of the theme of Jesus death on the cross and theodicy and the lack of thorough and sustained New Testament investigations into this theme Holm n s argument focuses on the changes in the concept of suffering occasioned by the unprecedented sacrifice of Jesus He explores both the derivative nature of suffering as God s retribution or a test for discipline in line with the traditions known in the time contemporary to the formation of the New Testament and the sharp wholly new contrast of suffering as intercessory in the crucifixion of Christ Son of God appearing to the world as impossible Holm n considers many issues in his discussion including the context of providence and covenant and the problem that Jesus death causes for theodicy He also examines other perspectives such as the writings of Paul and practical considerations of coping with anguish Taken as a whole this study provides a fresh examination of the crucifixion s central role for understanding New Testament approaches to suffering Torah Praxis after 70 CE Isaac Wilk Oliver,2023-06-20 In Torah Praxis after 70 CE Oliver challenges conventional views of the Gospels of

Matthew and Luke as well as the Acts of the Apostles He reads the works not only against their Jewish background but also as early Jewish literature In doing so he questions the traditional classification of Luke Acts as a Greek or Gentile Christian text To support his assertions Dr Oliver s literary historical investigation explores the question of Torah praxis in each book citing evidence that suggests several ritual Jewish practices remained fixtures in the Jesus movement and that Jewish followers of Jesus played key roles in forming the ekklesia well into the first century CE *A new pocket-dictionary of the English and Dutch languages.
