Philosophy@Work Anders Indset, 2022-08-18 For decades business management teams have learned lessons and absorbed wisdom from an array of disciplines psychology sociology biology and more but philosophy and the wisdom it embodies has long been overlooked World renowned business philosopher Anders Indset wants to correct this oversight through his mission to introduce practical philosophy into every organisation Intended as a source of inspiration *Philosophy Work* explores the integration of philosophical tenets into the business landscape and how they can be applied to personal development the art of leadership and coping with the forces of change Within its pages are reflections from twenty-seven of the world's leading business thinkers including Dorie Clark Erica Dhawan Mark Esposito Stew Friedman Marshall Goldsmith Anil K Gupta Gianpiero Petriglieri Haiyan Wang and many more Through articles interviews and essays they share their insights into the profound impact philosophy can have on business This is a starting point to a world of practical applied philosophy a first glimpse into the beginning of a new era

The Basecamp Manifesto Terence C. Young, 2024-10-23 It is often said that it is lonely at the top But this loneliness can be dangerous not only to the leader but also to the led It turns out we hold our environments as we are held If we are not held in a caring and daring fashion it shows up in how we live and lead *The Basecamp Manifesto* is a formative work on developing and sustaining leadership skills Here Terence Young outlines the development of a changed narrative around leading organizations Rather than the often stereotyped perception of leadership as a solitary ascent to the top followed often by an equally solitary descent down the leadership peak Young has created a framework for leadership that relies on developing a basecamp of companions Like the familiar basecamps of

extraordinary physical ascents of Mount Everest and other spectacular and spectacularly challenging peaks a leader's basecamp is a secure base of trusted and trusting peers that shape and nurture you during the ascent to leadership Young presents the gifts that current and future leaders should find in a secure base greater clarity in the sense making process enhancement of agility in navigating dynamic situations building endurance to face challenges and fostering generativity for greater productivity and innovation in one's life quest The Basecamp Manifesto is written for leaders of all organizations whether for profit or nonprofit Whether a business leader an educational leader a political leader a religious leader or other society facing leader all leaders face particular and specific challenges in leadership How do I lead and navigate with those in my circle through a world of increasing volatility uncertainty complexity and ambiguity For the sake of those you lead Young's groundbreaking work says to leaders find your people find your secure base find and shape and nurture the circle of trust that can make you a quality leader The Basecamp Manifesto can help you to become intentional about shaping relationships where clarity agility durability and generativity can be found and fostered *Superconnector* Scott Gerber, Ryan Paugh, 2018-02-27 Abandon the networking for networking's sake mentality in favor of a more powerful and effective approach to creating and enhancing connections STOP NETWORKING Seriously stop doing it Now It is time to ditch the old networking for networking's sake mentality in favor of a more powerful and effective approach to creating and enhancing connections In *Superconnector* Scott Gerber and Ryan Paugh reveal a new category of professionals born out of the social media era highly valuable community builders who make things happen through their keen understanding and utilization of social capital Superconnectors understand the power of relationship building problem solve by connecting the dots at high levels and purposefully cause different worlds and communities to interact with the intention of creating mutual value How can you become a Superconnector Gerber and Paugh share instructive anecdotes from a who's who roster of high achievers revealing how to systematically manage a professional community and maximize its value Of utmost importance is practicing Habitual Generosity acting on the knowledge that your greatest returns come when you least expect them and that by putting others' needs first the good karma will flow back to you tenfold Gerber and Paugh also explore winning strategies such as The Art of Selectivity a well honed ability to define which relationships matter most for you and decide how you will maintain them over time Full of helpful advice on how to communicate with anyone about anything Google proof your reputation and much more *Superconnector* is a must read for those seeking personal and business success *Scientific Collaboration* Jeanne M. Fair, 2023-10-31 This book will appeal to wildlife scientists interdisciplinary biologists and any scientists who need to function in this new scientific world wherein breakthroughs happen through cooperation combined effort and trust **The New Leadership Literacies** Bob Johansen, 2017-09-05 Over the next decade today's connected world will be explosively more connected Anything that can be distributed will be distributed workforces organizations supply webs and more The tired practices of centralized organizations will become brittle in a future where authority is

radically decentralized Rigid hierarchies will give way to liquid structures Most leaders and most organizations aren't ready for this future Are you It's too late to catch up but it's a great time to leapfrog Noted futurist Bob Johansen goes beyond skills and competencies to propose five new leadership literacies combinations of disciplines practices and worldviews that will be needed to thrive in a VUCA world of increasing volatility uncertainty complexity and ambiguity This book shows how to 1 forecast likely futures so you can look back and make sure you're prepared now for the changes to come 2 use low risk gaming spaces to work through your concerns about the future and hone your leadership skills 3 lead shape shifting organizations where you can't just tell people what to do 4 be a dynamic presence even when you're not there in person and 5 keep your personal energy high and transmit that energy throughout your organization This visionary book provides a vivid description of the ideal talent profile for future leaders It is written for current rising star and aspiring leaders talent scouts searching for leaders and executive coaches seeking a fresh view of how leaders will need to prepare To get ready for this future we will all need new leadership literacies
