A fierce national outcry for righteously waging war has long dominated American culture From at least the wildly popular Spanish American War and the US military invasion of the Philippines that infuriated Mark Twain right up to the current Global War on Terrorism this is a deadly dark current coursing throughout American history Meanwhile dissenting analyses of the patriotic gore have until recently been paid scant attention in the popular media Delving into this history this probing collection of essays explores ways in which the compulsive redeployment of innocence in the launching cheering and retelling of America s wars endlessly defers a national reckoning as the editors astutely state in their introduction The works in this collection reflect an effort to add more voices where they are desperately needed      Europe Thomas M.

Wilson,2023-11-30 This two volume encyclopedia profiles the contemporary culture and society of every country in Europe Each country receives a chapter encompassing such topics as religion lifestyle and leisure standard of living cuisine gender roles relationships dress music visual arts and architecture This authoritative and comprehensive encyclopedia provides readers with richly detailed entries on the 45 nations that comprise modern Europe Each country profile looks at elements of contemporary life related to family and work including popular pastimes customs beliefs and attitudes Students can make cross cultural comparisons for instance a student could compare social customs in Denmark with those in Norway compare Greece s cuisine with that of Italy and contrast the architecture of Paris with Amsterdam and Barcelona Culture and society are changing in each region and nation of Europe due to many political and economic forces both inside and outside of each nation s borders This encyclopedia considers many of the transformations connected to globalization as well as traditions that still hold strong to provide a complete assessment of the processes that make European societies and cultures distinctive

**This Ghostly Poetry** Daniel Aguirre-Oteiza,2020-03-20 This Ghostly Poetry explores the fraught relationship between poetry and literary history in the context of the Spanish Civil War its aftermath and ongoing debates about historical memory in Spain      *The Paradox of Paradise* William Nichols,2024-02-15 The Paradox of Paradise focuses on the trajectory of urban coastal tourism in Spain from the late Franco years to the present through the lens of Spanish cultural production Sun and fun destinations like Torremolinos located in the Costa del Sol and Benidorm located in the Costa Blanca established a model for urban renewal that literally built the coasts to accommodate and expand foreign tourism as the driving force of the so

called Spanish Economic Miracle In addition to inserting the coasts into the scope of Iberian urban studies typically dominated by studies of Madrid and Barcelona this project breaks new ground by bringing to the fore unexplored cultural artifacts vital to the narrative of development along the coasts in Spain in particular the ubiquitous tourist postcard which advances not only the post Franco economic miracle but does so by highlighting the transformation of the actual Spanish landscape along its coasts The Paradox of Paradise features more than twenty five striking images of coastal Spain in the throes of its own coming of age Author William J Nichols has unlocked a strange self conscious archive that tells us as much about our own age of advertising as it does about the hotels and resorts and people on display *Love and Revolutionary Greetings* Laurie E. Levinger,2012-02-27 Love and Revolutionary Greetings An Ohio Boy in the Spanish Civil War is the story of Sam Levinger a young man who went to Spain in 1937 to join the Abraham Lincoln Brigade Civil war raged in Spain as the fascist army of Francisco Franco sought to overthrow the democratically elected Republic Levinger a dedicated idealist made the commitment to go to a foreign country to fight fascism Love and Revolutionary Greetings is placed in the historical context of the 1930s when freedom everywhere was threatened by Franco Hitler and Mussolini The book is based on Sam Levinger s letters poems and stories that he sent home from Spain interspersed with those of his mother Elma Levinger Told in the words of a soldier son and his mother as well as other members of the Abraham Lincoln Brigade the book offers an eyewitness account of the hardships and the politics of the times Men and women from all over the world went to Spain to fight with the International Brigade to defend Spanish democracy Twenty eight hundred men and women from the United States joined the International Brigade Sam Levinger was one of them Sam died in Spain when he was twenty years old The author Sam Levinger s niece traveled to Spain to search for his unmarked grave Love and Revolutionary Greetings tells the emotional and political story of American involvement in the Spanish Civil War in the language of people who lived it [Rick Steves Spain 2020](#) Rick Steves,2019-09-03 Savor authentic paella run with the bulls in Pamplona or relax on Barcelona s beaches experience Spain with Rick Steves Inside Rick Steves Spain 2020 you ll find Comprehensive coverage for planning a multi week trip to Spain Rick s strategic advice on how to get the most out of your time and money with rankings of his must see favorites Top sights and hidden gems from El Escorial and the great mosque of Cordoba to medieval bars serving house made madro o liqueur How to connect with local culture Enjoy a flamenco show in Madrid chat with fans about the latest f tbol match or meander down winding streets in search of the best tapas Beat the crowds skip the lines and avoid tourist traps with Rick s candid humorous insight The best places to eat sleep and relax with a glass of sangria Self guided walking tours of lively neighborhoods and incredible museums Vital trip planning tools like how to link destinations build your itinerary and get from place to place Detailed maps plus a fold out map for exploring on the go Useful resources including a packing list Spanish phrase book a historical overview and recommended reading Over 1 000 bible thin pages include everything worth seeing without weighing you down Annually updated information on Barcelona Basque Country Bilbao Santiago de

**Vacationing in Dictatorships** Adelina Stefan, 2024-12-15 Vacationing in Dictatorships examines the political effects of international tourism in socialist Romania and Francoist Spain in the postwar era Despite sharp economic and political differences between the two dictatorial regimes at the start of the Cold War significant similarities existed as both states took advantage of international tourism to improve their image abroad and pursued processes of economic modernization to acquire hard currencies By the end of the 1970s though the two countries achieved rather different results in terms of tourism development despite the fact that both shared many features in the 1940s and 1950s By comparing the rise and

evolution of international tourism on different sides of the Iron Curtain Adelina Stefan provides a different assessment of the geopolitics of postwar Europe that further refines the Cold War s geographies separating Eastern and Western Europe As a result Vacationing in Dictatorships reveals a new perspective on the Cold War that reveals not only the developmental similarities between Eastern and Southern Europe but also the ideological struggle that pitted socialist East against capitalist West
