The Book of Gideon Timothy Estorga,2021-06-29 This story is not intended to demonize one side and glorify another nor is it to romanticize death for death is not romantic to those who stand face to face with it It will simply try to tell of a generation of civilians caught in the middle of a war that lies just right outside their front door Even though they may have escaped from the shells falling from above they were devastated by it Volume one of The Book of Gideon is told through the eyes of a French farming family trying their best to survive the very beginnings of the Great War *Gideon* Joseph Ganci,2017-07-27 Old Testament revelations illuminated by modern day revelations Unsung heroes and murderous villains hidden forever in ancient shadows now leap to life blazing onto the pages of revelation Gideon a lowly woodcutter is blessed by an angel to be the savior of all Israel He does not know why or how and shrinks from this dangerous mission The commandment to conquer the Midian Empire as one man seems all but impossible But Gideon s confidence grows as God guides his every step until he stands fearless and faithfully fulfills his destiny as A mighty man of valor The fierce warriors burning towers and devastated cities contained in Gideon s Journey are but silver threads that weave into a sweeping tapestry of ancient intrigue Running through and stitching together the entire saga is The Lord of the Covenant or The Baal Berith also known as Gideon s mysterious Ephod of Gold The Canaanite age of iron finds a simple woodsman lost in the forest of fear and doubt challenging Ba al the Amorite god to rescue his one true love and grows into a mighty man of valor conquering the Midian Empire *Gideon* Russell Andrews,2014-06-25 Gideon An identity shrouded in mystery the anonymous source who holds the key to an explosive secret In a clandestine meeting writer Carl Granville is hired to take the pages of an old diary articles letters documents in which all proper names and locations have been blacked out and turn them into compelling fiction He will be paid a quarter of a million dollars But he can never tell a soul As he is fed information and his work progresses Granville begins to realize that Gideon s book is more than just a potential bestseller It is a revelation of chilling evil and a decades long cover up by someone with far reaching power He starts to have second thoughts How will his book be used Whose lives will be shattered What is the truth behind the story and who is the true storyteller Then someone close to Granville is bludgeoned to death Another is savagely murdered His apartment is ransacked his computer destroyed all his records stolen Suspicion falls on Granville He tries to explain the shadowy assignment No one believes him He has no proof no alibis **Gideon: Or The Patriot** Aaron Hill,1749 **Gideon's Revolution** Brian Carso,2023-09-15 It s 1780 days after Benedict Arnold flees to the British when his treasonous plot to surrender the American fort at West Point is discovered and Gideon s Revolution is about to begin General George Washington orders a secret mission for two Continental Army soldiers to go behind enemy lines abduct Arnold and return him to his countrymen to be tried and hanged Washington selects one of the soldiers Gideon Wheatley for the mission because Arnold would trust him Wheatley fought under Arnold s

command at Saratoga and tended to the gravely wounded general for several months at Albany's military hospital. After feigning desertion to the British Army to join Arnold's corps of loyalists, Wheatley and his comrade John Champe seek out Washington's spies in New York and develop a plan to seize the traitor. But when the abduction is foiled, the soldiers are trapped by their own deceit and forced to fight alongside Arnold's raiding army as if they were traitors themselves. Years after the war, pressed by memories that haunt him and seeking redemption, Wheatley must decide whether he alone can exact revenge on his former friend and commander, a decision that sends him across the Atlantic to London to find and confront Arnold.

Gideon's Revolution is an American origin story based on real historical events, an odyssey that reveals the profound human tensions between loyalty and betrayal, allegiance and treason, revenge and the possibility of forgiveness. **Finding Gideon** Eric Jerome Dickey, 2018-04-10. A professional job turns personal for jet-setting contract killer Gideon in this sexy, thrilling page-turner by New York Times bestselling author Eric Jerome Dickey. As a hit man from the time he was very young, money, women, and danger have always ruled Gideon's life, but for the first time, the job is taking its toll. Neither Gideon nor the city of Buenos Aires has recovered from the mayhem caused during Gideon's last job. But before the dust has settled and the bodies have been buried, Gideon calls in backup, including the lovely Hawks, with whom Gideon has heated memories to launch his biggest act of revenge yet: one he believes will destroy his adversary, Midnight, once and for all. Yet Midnight and his second in command, the beautiful and ruthless Seorita Raven, are launching their own revenge, assembling a team of mercenaries, the likes of which the world has never seen, and Gideon isn't their only target. Gideon will need all of his skills if he is to save not only his team but his family as well. Dickey's new novel stirs up a whirlwind of sex and violence that spans the globe and leaves no moral boundary uncrossed. **Gideon's Chariot** Harlan Wygant, 2013-03. Gideon's Chariot is a novel that crosses genre boundaries in a wonderfully unexpected way. Starting out, it reads like a hard-nosed crime novel, then the author phases in a bit of science fiction to keep you on your toes, and then just as you think you're getting your bearings, faith is questioned, devotion repented, the end of days. The characters that Wygant has created are very three-dimensional. Their back stories, personalities, and physical characteristics are well established and consistent and individual enough to be memorable. The relationships between the characters also seem strongly believable. Gideon's Chariot is a good read with a unique and interesting concept. Who is Gideon: an angel or an alien? If an alien does this, it calls into question our societal or religious belief in angels. What if scripture was based on beings who were thought to be divine but who were actually extraterrestrial?
