classical beauty of his lineage dark hair that caught the light like polished bronze eyes the color of storm clouds and a bearing that spoke of nobility tempered by genuine compassion for his people Yet for all his princely advantages he felt the weight of uncertainty pressing upon his shoulders like a lead cloak My lord came a voice from behind him Lysander turned to see Demetrius his most trusted advisor and childhood friend entering the chamber with obvious reluctance The older man s face bore the weathered lines of one who had served the royal family faithfully for decades and his expression now carried a gravity that made Lysander s stomach tighten with foreboding      **Microtimes** ,1997
